

NOTE FROM THE PRESIDENT

It's been a Joyous July! As a club, we started the new year on a strong note! I'm excited to welcome some very dynamic new rotarians and their partners on board! Our club was recognized at the district installation for achieving record club growth! Our association with The Bigger Picture for the food distribution drive fed 700 underprivileged kids this month. We created history with the inaugural party with 80% club attendance. Looking forward to the club's support for the upcoming community and club events!

ASEES

With Guru kripa, we started the new Rotary Year with Ardaas/Kirtan and a Community Service Project at the Vasant Vihar Gurudwara, in association with the Rotary Club of Delhi Southend.

Our Clubs donated an eye check-up machine which has been installed in the Eye department in the Gurudwara.

Langar sewa was also done where 250+ Langar thalis were distributed to people who came from the village nearby.

DISTRICT INSTALLATION

139 club presidents were pinned in a district installation ceremony for our DG and district club presidents. Our club was recognised for achieving high club growth levels in the first week of the new rotary year. The DG launched Project Hope and we look forward to doing district level community service events in collaboration with other clubs.

NEXT x THE BIGGER PICTURE

As a part of our service to the society, we are in venture with "The Bigger Picture" serving meals to underprivileged kids and needy people on every members birthday.

FITNESS CLUB EVENT: ZUMBA

Our very own Ramnika Goyal led a Zumba Fitness party - Rotarians and kids danced, burnt some calories, celebrated madam president's birthday and had a lot of fun!

The 'Gangsta Guys and Glamorous Gals' of Southend Next partied it up at BoTai at our member integration and club social kick off. This event marked a new milestone in the history of the club as the highest attended event of the club in the last decade with 80% attendance!
