MESSAGE FROM THE PRESIDENT

Dear Rotarians,

October has been a month full of service, learning, and camaraderie for our club.

We kicked off the month with a Toy Donation Drive at Balwadi School, Lodhi Colony, spreading joy among young children.

We also visited Saksham Foundation, where we donated 100 stationery kits and toys.

We continued the festive spirit with our community event of the month at Peepul Exemplary MCD School, Lajpat Nagar, distributing 150 kits of stationery, refreshments, and toys as part of our Diwali celebrations.

On 9th October, students from our Interact Club of New Era Public School actively participated in the District Interact Learning Seminar, gaining valuable exposure, insights, and inspiration to lead with the Rotary spirit of service and leadership.

We also celebrated a joyous Diwali fellowship on 11th October, filled with laughter, music, and togetherness.

We concluded the month with a successful Eye Check-up Camp and distribution of 700 sanitary pads to young girls at Naya Prayas on 25th October, serving the community and promoting eye health and hygiene awareness.

Each of these initiatives truly reflected the Rotary ideal of Service Above Self. I deeply appreciate the dedication and efforts of our members, spouses, and young Interactors who continue to strengthen our impact through service and teamwork.

Let's continue this journey of meaningful action and fellowship as we move ahead into November with renewed enthusiasm.

Yours in Rotary,

*Rtn Raghav Lekhi

SPREADING SMILES THROUGH TOY DONATION DRIVES

This month, the Rotary Club of Delhi Southend Next continued its commitment to bringing joy and learning opportunities to underprivileged children.

We began with a Toy Donation Drive at Balwadi School, Lodhi Colony, where our members interacted with the little ones and distributed toys that brightened their day and filled the classrooms with laughter. Continuing the spirit of giving, we visited Saksham Foundation, donating 100 stationery kits and toys to the children. Their enthusiasm and gratitude were truly heartwarming, reminding us that small gestures can create big smiles.

These initiatives reflect Rotary's dedication to community service and our ongoing mission to support education and happiness for every child.

EYE CHECK-UP CAMP AT NAYA PRAYAS

On 25th October, the Rotary Club of Delhi Southend Next organized a free eye check-up camp at Naya Prayas, reaffirming our commitment to community health and well-being.

The camp provided comprehensive eye examinations for children and adults, helping identify those in need of further treatment or corrective measures. In addition, our club distributed 700 sanitary napkins to young girls as part of our ongoing initiative to promote menstrual hygiene and awareness.

Our members actively participated in managing and supporting the event, making it a meaningful day of service that touched many lives and reflected Rotary's spirit of care and compassion.
