MESSAGE FROM THE PRESIDENT

Dear Rotarians,

As we wrap up the month of November, I am filled with immense pride and gratitude for the dedication and spirit our club has shown. This month reflected the true essence of Rotary – service, compassion, and collective action.

We began November with an inspiring milestone: our first-ever children-led fundraiser, Youngpreneur, where young minds demonstrated creativity, leadership, and entrepreneurial talent. Their enthusiasm reminded us that the future of service is bright.

Our commitment to community health continued with the Cervical Cancer Vaccination Camp at Indraprastha School, where 150 girls received their second dose. This initiative stands as a powerful step toward safeguarding the health of young women.

We also bonded as a Rotary family during our Movie Night on 14th November, celebrating Children's Day with joy, laughter, and togetherness.

And throughout the month, our members upheld our promise of compassion by feeding 900 underprivileged children through birthday celebrations – a gesture that warms countless hearts.

Thank you to each member for your unwavering support, participation, and generosity. Let's carry this momentum forward as we continue to create meaningful impact in the months ahead.

Yours in Rotary,

*Rtn Raghav Lekhi
