NEWSLETTER SEPTEMBER 2025

MESSAGE FROM THE PRESIDENT

Dear Rotarians,

September began with a reminder of Rotary's true spirit – service above self. Our club came forward to extend support for the Punjab Flood Relief efforts, standing with those affected during this difficult time. It was heartening to see our members respond with such compassion and commitment.

We also had the opportunity to visit the Balwadi School in Lodhi Colony, where the happy faces of the children gave us all a sense of purpose. Our commitment to provide them with uniforms and stationery is just the start, and we look forward to doing more for their growth and learning.

On the fellowship side, we spiced things up with a memorable Tequila Tasting Night hosted by Hyun Park. It was an evening filled with fun, laughter, and camaraderie – a perfect reminder that Rotary is as much about bonding with each other as it is about serving.

Our food donation drives continued strongly too, feeding hundreds of people and spreading warmth where it was needed the most. Each act of service, big or small, added to the collective impact we are making as a club.

September truly captured what Rotary stands for – service, fellowship, and joy. As we move into the next month, let's carry this spirit forward and keep creating moments of care, laughter, and hope together.

Yours in Rotary,

Rtn Raghav Lekhi

PUNJAB FLOOD RELIEF – SOUTHEND NEXT IN ACTION

When floods struck Punjab, our club stepped forward to extend much-needed support to the affected families. Through the collective efforts of our members, we provided essential relief materials including tarpaulins, mosquito nets, sanitary pads, sleeping bags, rice, dal, ORS solutions, and torches.

These supplies helped bring comfort, safety, and hope to those battling the hardships of displacement and loss. This initiative truly reflected the Rotary spirit of Service Above Self—standing together to serve humanity in times of crisis.

We are happy to share that an eye check-up camp was conducted at Vasant Vihar Gurudwara, made possible with the use of the Eye Slit Lamp machine donated by our club. The equipment is already making a difference by helping doctors carry out detailed eye examinations and serve the community better.

A special note of gratitude to all our members whose generous contributions and support enabled this donation. It is through our collective efforts that we continue to create a lasting impact in community healthcare.
