MESSAGE FROM THE PRESIDENT

Dear Fellow Rotarians,

March was a month that beautifully captured the spirit of Rotary—compassion in service, joy in fellowship, and pride in purpose. We revisited Cheshire Home and Sneh Vocational Training Center, where the warmth, talent, and creativity of the children and young residents left a lasting impression on all of us. Their spirit was a true reminder of why we serve.

Noor-e-Sufiyana, our soulful Sufi evening, brought together members in a magical celebration of music and togetherness. It was an enchanting night that touched the heart and lifted the spirit.

We were also proud to witness history as Rotary Women Leaders were invited to the Indian Parliament on March 8th—a powerful moment recognising women’s leadership in Rotary and beyond.

To close the month, our Dehradun Family Trip offered the perfect blend of bonding, laughter, and serenity—proving once again that fellowship is the heartbeat of our club.

Through these special experiences, we continue to live Rotary’s values of Service Above Self, Fellowship, Diversity, Integrity, and Leadership. Thank you for being part of this meaningful journey—together, we are truly building an equal tomorrow.

Yours in Rotary,

President, Rotary Club of Delhi Southend Next

PARLIAMENT VISIT ON WOMENS DAY

On the occasion of International Women's Day, the esteemed women members of our Rotary Club had the privilege of visiting the Indian Parliament. This remarkable visit was highlighted by an inspiring interaction with Lok Sabha Speaker Shri Om Birla Ji, along with other distinguished dignitaries. During the visit, our members engaged in discussions on women's empowerment, leadership, and social impact, reinforcing Rotary's commitment to fostering positive change in society. The experience was both insightful and empowering, serving as a reminder of the critical role women play in shaping our nation's future.

NOOR E SUFIYANA

The air was filled with soul-stirring melodies and spiritual harmony as we gathered for a mesmerizing Sufi Night on March 7. The evening transported attendees into a realm of peace and devotion, celebrating the mystical essence of Sufi music. The ambiance, adorned with soft lighting and incense, created the perfect setting for an evening of reflection and musical bliss. The event was more than just a performance—it was an experience of unity, love, and spiritual connection. Attendees swayed to the rhythm of the divine verses, leaving with hearts full of tranquility and joy.

REVISIT TO CHESHIRE HOME & SNEH VOCATIONAL TRAINING CENTER

On March 22, members of the Rotary Club of Delhi Southend Next had the privilege of visiting Cheshire Home Delhi Unit and Sneh Vocational Training Center, where we witnessed the incredible talent and determination of the young residents. The highlight of the visit was a heartwarming dance performance by the children, who filled the room with joy and energy. Their enthusiasm and spirit were truly inspiring! We were also amazed by the handcrafted products they proudly showcased, reflecting their creativity and the skills they have honed through vocational training. This visit was a beautiful reminder of the power of support, encouragement, and community engagement. We extend our heartfelt appreciation to the staff and children for their warm hospitality and for sharing their incredible talents with us. Together, let's continue to make a difference in the lives of those who inspire us every day.

DEHRADUN FAMILY TRIP

From March 28 to 30, Southend Next members and their families embarked on a delightful getaway to Dehradun, filled with laughter, bonding, and unforgettable moments. The trip began with a traditional pahadi dance, a soulful Sandhya Aarti in the evening, where members experienced serenity and devotion in a peaceful setting. For the little ones, a fun and interactive pizza-making activity brought out their creativity, making for a deliciously entertaining session!

As the sun began to set, we gathered for a sundowner, soaking in the stunning views while enjoying refreshing conversations. The evening culminated in a lively party, where music, dance, and camaraderie created memories to cherish for a lifetime. This family trip was a perfect blend of spirituality, fun, and togetherness, leaving everyone with hearts full of joy. A big thank you to all who joined and made it a truly special experience!
