Awesome President's Message

Dear Rotarians,

As we reflect on the impactful month of October 2024, I am filled with immense pride and gratitude for our collective efforts in advancing the causes of education, health, and community service. Together, we have once again demonstrated the spirit of "Service Above Self," touching lives and inspiring hope in our community.

The distribution of 140 Ideal Study Apps to students in and around Badlapur marked a significant step towards bridging educational gaps through technology. Schools such as Badlapur High School, Matrubhumi Vidyalay, Sane Guruji Vidyalay, and ZP School Mulgaon are now equipped to better support their students in achieving academic excellence.

On Teachers' Day, we honored the dedicated educators of St. Anthony School, who shape the future of our youth with their commitment and passion. This was followed by a seminar on career guidance and distribution of the Ideal Study App for SSC students at the same institution, ensuring they are equipped with tools and knowledge to make informed choices for their futures.

Our seminar on Good Touch and Bad Touch and discussions on Health and Hygiene held on September 18 were pivotal in fostering awareness among young girls about personal safety and well-being.

The Career Guidance Seminars at Lavhali Village Ashram Shala and Adarsh Vidya Mandir impacted hundreds of students, igniting aspirations and providing clarity on the possibilities ahead. While distributing the Ideal Study App to teachers in Lavhali Village, we acknowledged the unique challenges of the region and took steps to adapt our initiatives accordingly.

As we celebrated Annapurna Day with the children of Mai Bal Sadan, we experienced the joy of sharing and the profound impact of small gestures in nurturing smiles and building bonds.

Finally, addressing modern-day challenges, our seminar on Mobile Deaddiction and effective study methods at Adarsh Vidya Mandir was a timely intervention for the younger generation navigating the complexities of digital distractions.

Each of these initiatives has been possible because of the dedication of our Rotarians and the unwavering support of our community. Let us continue to work together with compassion and resolve, bringing positive change to every life we touch.

Rtn.Vaibhav Lawate
President,RCBIA

Editor Message

Dear Rotarians and Readers,

Rotary is a beacon of service, community, and leadership. But at its core, it is also a platform for self-development. As we navigate our journey in Rotary, we find ourselves growing personally and professionally, becoming better individuals in the process of serving others.

The essence of self-development lies in our willingness to learn, unlearn, and adapt. Rotary provides us with numerous opportunities to hone our skills, expand our horizons, and nurture our potential. Whether it is through leading projects, engaging in meaningful discussions, or participating in training programs, every experience adds to our growth.

In Rotary, we are constantly inspired by the values of empathy, teamwork, and resilience. These principles not only guide us in our service but also shape our character. By stepping out of our comfort zones, taking on responsibilities, and embracing challenges, we cultivate qualities like leadership, communication, and problem-solving.

Moreover, the connections we build in Rotary are invaluable for our personal growth. Interacting with like-minded individuals who share a passion for making a difference enriches our perspectives and broadens our understanding of the world.

As we continue our journey of self-development, let us remember that our growth is deeply intertwined with the impact we create in the lives of others. The more we give, the more we grow. Let Rotary remain our guiding light, helping us evolve into better versions of ourselves while serving humanity.

कायदा सोकावला

डॉ. योगेन्द्र जावडेकर , एम.डी.
बालरोगतज्ज्ञ , बदलापूर

बाकीचे लोक उठून गेले तरी त्यांच्या कपातला चहा अजून संपला नव्हता . त्यांचं बहुधा चहाकडे फारसं लक्षही नव्हतं .

‘डॉक्टर जोशी !’

माझ्या हाकेसरशी ते भानावर आले .

— नव्वदच्या दशकातली ही गोष्ट. बदलापूर तेव्हा अगदी छोटं गाव होतं . लोकवस्ती चाळीस हजाराच्या आत - बाहेर . गावात डॉक्टर्स अक्षरशः हाताच्या बोटावर मोजावेत इतकेच होते . मी बालरोगतज्ज्ञ म्हणून व्यवसायात अजून तसा नवा होतो . गांधी चौकाजवळ आमचं हॉस्पिटल होतं . संध्याकाळी पावणेआठच्या सुमाराला दिवसाचं कामकाज उरकत असे . मग आम्ही बरेचसे डॉक्टर्स चहा प्यायला गांधी चौकातल्या एका टपरीवजा रेस्टॉरंटमध्ये गोळा व्हायचो . चार पाच जीपीज् , दोन तीन कन्सल्टंट्स - गावातल्या जवळपास अर्धी पाऊण वैद्यकीय व्यावसायिकांची रोजची भेटायची जागा होती ती . कधी फूटपाथवर उभं राहून , कधी पाऊस वगैरे असला तर आत टेबलापाशी बसून - चहा पिता पिता गप्पा व्हायच्या . एकमेकांच्या चेष्टा मस्करी पासून गावच्या राजकारणापर्यंत आणि जागतिक समस्यांपासून बघितलेल्या पेशंट्स्च्या गोष्टींपर्यंत सगळ्या विषयांवर गप्पा होत . त्यामुळे एकमेकांशी जवळीक कायम राहायची . व्यवसायात मुरलेल्या वरिष्ठांकडून शहाणपणाच्या चार गोष्टी माझ्यासारख्या नवख्याला शिकायला मिळत त्या वेगळ्याच .

‘डॉक्टर जोशी ‘ , ‘ चहा गार झाला ‘ मी डॉक्टर जोशींना भानावर आणण्यासाठी म्हटलं . डॉक्टर जोशी माझ्यापेक्षा सुमारे पंधरा वर्षं जास्तीचा अनुभव असलेले एम.बी.बी.एस्. जीपी .

‘खरंच की ! ‘ त्यांनी एका घोट्यात चहा संपवला .

‘आज गप्पामधेही नेहमीप्रमाणे लक्ष नव्हतं तुमचं . ‘ मी म्हटलं , ‘ काय विशेष ? ‘

‘ माझे पेशंट असलेले एक गृहस्थ गेल्याची बातमी आत्ताच ऐकून आलो .’

‘ओह ! ‘ मला अंदाज आला होताच , ‘खूप जुनी ओळख , मैत्री वगैरे ?’

‘नाही ,नाही . मैत्री वगैरे काही नाही .’ डॉक्टर अगदी लगेच म्हणाले .

‘ तरीही तुम्हाला जरा जास्तच जाणवल्यासारखं वाटतंय ‘ मी भीत भीत म्हणालो .

Issue -IV

Oct ,2024

‘तसं कुठलंही माणूस गेल्याचं कळल्यावर वाईट वाटतंच . पण आज जरा जास्त वाटलं हे खरं बाबा ! ‘
क्षणभरच थांबून , किंचित विषण्ण हसून पुन्हा म्हणाले , ‘ व्यक्ती गेल्याचं दुःख आहेच , कायदा
सोकावतोय, त्याचं जास्त आहे ! ‘

‘म्हणजे काय बुवा ?’ मी बुचकळ्यात पडलो होतो .

‘सगळी गोष्ट सांगतो . हे गृहस्थ नुकतेच रिटायर झाले होते . साठीच्या आसपासचं वय. मुलगा प्रायव्हेट
इंजिनीअरिंग कॉलेजात . आता शेवटच्या वर्षाला जाईल. मुलगी त्याच्यापेक्षा थोडी मोठी . तिचं लग्न ठरलं
आहे , अजून चार महिन्यांत व्हायचंय . त्यांना छातीत दुखायला लागलं . ब्लड प्रेशर , डायबेटिस होतेच
काही वर्षांपासून . मग कार्डिऑलॉजिस्टकडे पाठवलं . त्यांनी स्ट्रेस टेस्ट , अँजिओग्राफी केली . लगेचच
बायपास करायला हवी म्हणाले . ‘

‘मग केली नाही का ? ‘ माझा प्रश्न .

‘केली ना ! मला विचारायला आले होते . आता कार्डिऑलॉजिस्टनी लगेचच बायपास करायला हवी
म्हटल्यावर मी काय सांगणार ! करा म्हणणं भागच होतं . ‘

‘मग ? ‘ माझी उत्सुकता ताणली जात होती .

‘बायपास केली . रिटायरमेंटनंतर मिळालेले सगळे पैसे त्यात खर्च झाले . आणि दुर्दैवानं आठवडाभरात होऊ
नये ते झालं ‘

‘ ऑपरेशनमधे काही हलगर्जी ? ‘ माझा भाबडा प्रश्न .

‘नाही , नाही . नावाजलेले सर्जन , नावाजलेलं हॉस्पिटल . होतात अशा गोष्टी अनपेक्षितपणानं ! ‘

‘मग ? ‘ - पुन्हा मी .

‘आता पाहा , रिटायरमेंटनंतर मिळालेले प्रॉव्हिडंट फंड , ग्रॅच्युइटीचे वगैरे सगळे पैसे खर्च झाले . मुलीचं लग्न
मुलाचं शिक्षण - सगळ्याची पंचाईत होऊन बसली ना ! ‘

‘ वाईट झालं ! ‘ मीही एक सुस्कारा टाकला .

‘ हे सगळं टाळता आलं असतं . पण कायदा आडवा आला . ‘

‘ कायदा ? ‘ मला समजलं नव्हतं .

‘आता ग्राहक संरक्षण कायदा आपल्यालाही लागू झाला बाबा ! ‘

‘मग ? ‘ मला उलगाड होत नव्हता .

‘ग्राहक संरक्षण कायद्यामुळे , कार्डिऑलॉजिस्टच्या सल्ल्याप्रमाणे लगेच बायपास करायला पाठवलं नसतं ,
तर मी गुन्हेगार ठरलो असतो . ही घटना काही काळ आधी घडली असती , तर मी त्यांना घरातल्या
व्यक्तीसारखं सांगितलं असतं की, थोडं थांबा . मुलीचं लग्न होऊ दे , मुलाचं शिक्षण होऊ दे . नंतर करा
बायपास . ‘

‘ पण त्यांना तर ब्लॉक मोठा होता ! त्यांना मोठा अॅटॅक आला असता . कदाचित त्यांचं काही बरं वाईटही झालं असतं !’ माझी प्रामाणिक शंका .

‘पण कुटुंबाची परवड झाली नसती .’

‘पण मग —‘ मला गप्प बसवेना .

‘ आणि सगळ्यात महत्त्वाचं म्हणजे ,काही अघटित घडलं असतंच , तर समाजानं मला दोषी ठरवलं नसतं . ‘ डॉक्टर जोशी एका एका शब्दावर जोर देत म्हणाले . ‘ आता काळ बदलला . कायदाही बदलला ! असले नैतिक निर्णय घेण्याचा हक्क आपल्याकडून काढून घेतला गेला . काल परवापर्यंत ह्या मुलांचा मी काका होतो . आता फक्त “सर्व्हिस प्रोव्हायडर” उरलोय . ह्या बदलाचे परिणाम फार दूरगामी आहेत , त्याचं दुःख जास्त आहे‘ डॉक्टर जोशी बोलायचे थांबले .

मलाही काय बोलावं ते सुचेना .

आम्ही दोघंही चहाचं बिल देऊन बाहेर पडलो .

चालता चालता मनात विचार सुरू होते . पेशंटशी माणुसकीचं वगैरे नातं निर्माण करण्यापेक्षा कर्तव्यकठोर असणं हेच समाजाला मंजूर होतं . कायदा सोकावला होता .

Role of Interact Club in Rotary

Mr.Rajiv Divan

Past President ,RCBIA

Interact is a Rotary-sponsored service club that gives young people an opportunity to participate in fun and meaningful service projects while developing leadership skills and meeting new friends. The basic principle of the Rotary Interact is to help others. Our motto is “service above self”.

Interact is a club for youth ages 12-18 who want to connect with others in their community or school. Interact club members have fun while carrying out service projects and learning about the world. Interact clubs organize at least two service projects a year: one that benefits their community and one that encourages international understanding. While Interact clubs receive guidance from individual Rotary clubs, they govern and support themselves.

The purpose of Interact is to provide opportunities for young people to work together in a world fellowship dedicated to service and international understanding.

The word "Interact" stands for international action. The international objectives are to develop leadership skills and personal integrity, to demonstrate helpfulness and respect for others, to understand the value of individual responsibility and hard work and to advance international understand and goodwill.

Service Above Self'. This is the motto for the Interact Club .

Interact support people to actively participate in their communities and lead fulfilling lives. To be able to 'do more', and need less support - with a common theme of "helping others to help themselves".

The goals of Interact are:

1. To recognize and develop constructive leadership and personal integrity.
2. To encourage and practice thoughtfulness of and helpfulness to others.

3. To create an awareness of the importance of home and family.
4. To build respect for the rights of others, based on recognition of the worth of each individual.
5. To emphasize acceptance of individual responsibility as the basis of personal success, community improvement, and group achievement.
6. To develop life skills including self development, time management, and personal finances.
7. To recognize the dignity and value of all useful occupations as opportunities to serve society.
8. To provide opportunities for gaining increased knowledge and understanding of community, national, and world affairs.
9. To open avenues of personal and group action leading to the advancement of international understanding and goodwill toward all peoples

The Interact Club of Melbourne High School, sponsored by the Rotary Club of Melbourne, Florida, USA, became the first Interact club on 5 November 1962.

Two months later, the first Interact club outside the United States was established in Tanjore, India.

Today, there are approximately 14,900 clubs in 145 countries.

There is NO fee for certifying an Interact club.

RCBIA sponsored INTERACT CLUB of St. Anthony's Higher Secondary School is performing well since last 7 years.

1. Collection of Nirmalya in Ganesh festival & Navratri is an on going project. Interact members collect Nirmalya from their home and neighbours, bring it to school. Further sent to Shashwat Nursery for processing.
2. From this year we will provide technical support to process the Nirmalya within school premises and convert it to fertilizer and will be feeded to plants within school premises.
3. Members collected dry grocery and donated to Satkarm Orphanage.
4. National Swachhata Day also observed by Interact members.
