Minutes of 13th Meeting

On 27th September 2024, the 13th weekly meeting was held at Nagar Club at 9:00 PM, with 35 Rotarians in attendance. The meeting was called to order by President Rtn. Ajay Pisute, and all members stood to sing the National Anthem. The President officially announced a new project, discussing its objectives and anticipated community impact.

The meeting included a discussion of upcoming events and projects: • 2nd October – Plogging Drive at Anand Dari, organized by Rtn. Priyanka Pisute in association with Trek Camp to promote environmental awareness. • 2nd October – Food Donation at Balghar Prkalp, aimed at distributing food to support underprivileged children. • 6th October – Diwali Expo, organized by Ann Neha Meghania, showcasing festive products and local businesses. • 6th October – Nation Builder Award, presented by Rtn. Dr. Prasad Ubale to recognize teachers who have significantly contributed to education. • 6th October – Vocational Excellence Awards, honoring professionals excelling in their respective fields, presented by Rtn. Hemant Karale. • 6th October – 50 Library Donation (Viyadaan), led by Rtn. Dr. Prasad Ubale, involving the donation of books and resources to enhance educational access.

Members were invited to register for the upcoming District Conference, and those who significantly contributed to club projects were felicitated with service pins. Additionally, Secretary Rtn. Merlin Elisha extended birthday and anniversary wishes to members, delivered the vote of thanks, and expressed gratitude to all attendees, speakers, and contributors.

The meeting concluded with a celebration, followed by fellowship and dinner.

Love Food, Hate Waste Initiative

The "Love Food, Hate Waste" initiative was a vibrant educational campaign aimed at reducing food waste and promoting nutritional awareness among young minds. Involving over 5000 students from 10 schools, the program was designed to engage participants through interactive and creative activities that fostered a deeper understanding of food sustainability.

Students took part in engaging discussions that highlighted the importance of reducing food waste and conserving resources. They were encouraged to share personal experiences and brainstorm innovative solutions for minimizing food loss at home and in their communities. This open dialogue helped create a sense of responsibility and environmental stewardship among the participants.

Additionally, the initiative featured a series of creative competitions, including poster making and PowerPoint presentations. These activities allowed students to express their ideas visually and verbally, effectively communicating the critical message of valuing food and curbing waste. The contests not only honed their creative skills but also reinforced the importance of nutritional education and sustainable living.

Overall, the "Love Food, Hate Waste" initiative successfully combined education, creativity, and environmental awareness to empower students to take proactive steps in reducing food waste. By learning about nutritional facts and sustainable practices, the young participants are now better equipped to contribute to a healthier, more sustainable future.

The Golden Era of Madan Mohan (Cultural/Fellowship Event)

The Golden Era of Madan Mohan was a spectacular cultural and fellowship event held at Mauli Sabhagrah, celebrating the timeless melodies and soulful compositions of the legendary music director, Madan Mohan. The event brought together over 650 attendees, all united by their love for classic music and a shared passion for cultural heritage.

The evening was a mesmerizing tribute to the golden era of Hindi film music, with soulful renditions of Madan Mohan's iconic songs filling the air. Each performance was meticulously curated to capture the essence of his musical genius, resonating deeply with the audience and evoking a sense of nostalgia for the bygone era of melodious tunes and poetic lyrics.

In addition to the musical performances, the event also fostered a spirit of fellowship among the attendees. The warm and engaging atmosphere at Mauli Sabhagrah provided a perfect setting for music enthusiasts, cultural aficionados, and community members to come together, share memories, and celebrate the enduring legacy of Madan Mohan.

Overall, The Golden Era of Madan Mohan event not only honored a musical legend but also reinforced the power of music to bring people together, making it a truly memorable celebration of art, culture, and community spirit.

RYLA at Booth Hospital – Anaemia & Skin Care

At Booth Hospital in Ahilyanagar, a comprehensive training program was conducted for nurses and staff, led by our esteemed Rtn. Dr. Deepali Anbhule. The session was designed to enhance professional skills and update the team on the latest best practices in patient care and hospital management.

Dr. Deepali Anbhule's interactive training approach provided participants with valuable insights into effective communication, emergency response, and quality care delivery. The program included hands-on demonstrations, case study discussions, and group activities that allowed the healthcare professionals to engage deeply with the material and share their experiences.

The training not only reinforced core clinical competencies but also emphasized the importance of teamwork and continuous learning in a dynamic healthcare environment. By empowering the nurses and staff with updated knowledge and skills, the program aimed to improve overall service delivery and patient outcomes at Booth Hospital.

Overall, the initiative was a resounding success, reflecting the commitment of Rotary Club of Ahmednagar Midtown to community service and the continuous professional development of healthcare providers.

RYLA at Booth Hospital – Mentorship for Hospital Management

The "RYLA at Booth Hospital – Mentorship for Hospital Management" program, led by Madhur Bagayat, was a transformative session aimed at enhancing the overall knowledge and management skills of the hospital staff. The session was designed to provide practical insights into hospital management while encouraging participants to be self-introspective about their roles and responsibilities.

During the program, Madhur Bagayat shared his expertise on various aspects of hospital administration, from strategic planning and resource management to fostering a culture of continuous improvement. Participants were encouraged to reflect on their current practices and consider innovative approaches to streamline operations and elevate patient care.

A key focus of the mentorship was to cultivate a mindset of self-assessment and forward-thinking among the staff. By prompting them to evaluate their own performance and explore new ideas, the session aimed to empower participants to be proactive in addressing challenges and to envision a future of enhanced service delivery and operational excellence.

Overall, the mentorship program served as a valuable platform for professional growth, enabling the hospital team to gain deeper insights into effective management practices. The knowledge and perspectives shared by Madhur Bagayat are expected to drive meaningful improvements in hospital operations, ultimately benefiting both staff and patients alike.

IPP Madhura Zaware, Kshitij Zaware & Pramod Parikh at AGLS (Leadership Event)

At the AGLS Leadership Event, IPP Madhura Zaware, Kshitij, and Pramod Parikh showcased exemplary leadership as they actively participated in the district event. Representing Rotary Midtown, their presence underscored a strong commitment to advancing leadership initiatives within the Rotary community. The event provided a dynamic platform for discussing strategies, sharing innovative ideas, and exploring best practices in leadership development. Throughout the event, the trio engaged in insightful discussions and interactive sessions designed to foster collaboration and drive organizational excellence. Their contributions not only enriched the dialogue at the event but also highlighted the importance of proactive leadership in achieving the broader goals of the district. The active involvement of these key members set a positive example and further reinforced the district's commitment to nurturing leadership at all levels. Overall, their participation in the AGLS Leadership Event was a resounding success, marking a significant milestone in Rotary Midtown's efforts to inspire, mentor, and lead by example.

Kshitij & Pramod Parikh participated in RISE at Hyderabad

At the RISE at Hyderabad District Event, Kshitij and Pramod Parikh exemplified proactive leadership by engaging wholeheartedly in the proceedings. Their active participation was marked by insightful contributions during panel discussions and interactive sessions, where they shared innovative ideas and strategic insights relevant to Rotary's mission and district-level initiatives.

Representing the dynamic spirit of Rotary Midtown, both leaders emphasized the importance of collaboration, continuous learning, and community engagement. Their discussions centered around enhancing Rotary's impact through better organizational practices and fostering an environment of shared knowledge among district members.

The event provided a valuable platform for exchanging best practices and addressing challenges faced by district clubs. Kshitij and Pramod's participation not only enriched the dialogue at the event but also set a positive example of leadership and commitment to Rotary's values, inspiring fellow Rotarians across the district.

Overall, their involvement at RISE in Hyderabad was a significant milestone that contributed to strengthening the bonds within the district, paving the way for future collaborative efforts and a unified vision for service excellence.
