# Plogging Drive at Anand Dari (in Association with Trekkamp)

On 2nd October, as part of the Rastriya Swachhata Diwas celebrations, a unique Plogging Drive was organized at Anand Dari in association with Trekkamp. This event brilliantly combined the benefits of jogging with environmental conservation by encouraging participants to collect plastic waste and other litter along their route, making a tangible difference in creating a clean and plastic-free environment.

The drive saw enthusiastic participation from over 400 individuals, including Rotarians, community members, and local volunteers who embraced the challenge with vigor. As they ran, they also picked up discarded plastic and debris, significantly contributing to the beautification and sanitation of the area. This dual-purpose activity not only promoted physical fitness but also instilled a deeper sense of responsibility towards the environment among all involved.

In keeping with the spirit of Rastriya Swachhata Diwas, the plogging drive reinforced the importance of community action in preserving our natural surroundings. The collective effort underscored that small, individual actions can lead to significant environmental improvements when carried out on a larger scale. The success of the drive at Anand Dari is a testament to the community's commitment to a cleaner, greener future.

Overall, the event served as an inspiring example of how innovative, community-driven initiatives can effectively tackle environmental challenges, paving the way for a sustainable and healthier living environment for all.

Project Benefited to : 1500+

No. Of Rotarians Involved : 40

# Food Donation at Balghar Prkalpa

The Food Donation at Balghar Prkalpa was a heartwarming community initiative designed to kickstart the day on a positive note for young learners. During the event, 40 Balghar students were treated to a delicious breakfast featuring the local favorite, Misal Paav, accompanied by freshly brewed coffee. This nourishing meal not only provided them with essential energy to face the day but also brought smiles and a sense of care from the community.

The initiative underscored the importance of supporting education and well-being by ensuring that students have access to nutritious meals. Beyond just feeding the body, the event fostered a sense of belonging and communal support, reinforcing that every small act of kindness can make a significant difference in someone's life.

Overall, the Food Donation at Balghar Prkalpa showcased the spirit of community service, compassion, and dedication to uplifting the lives of young students, setting a positive example for future initiatives aimed at holistic development.

Project Benefited to : 50+

# Diwali Expo

The Diwali Expo, organized by the Rotary Club of Ahmednagar Midtown in association with Crystal Group, was a landmark event dedicated to celebrating women on October 6th. With a festive ambiance and an unwavering commitment to community service, the expo featured over 70 vibrant stalls and attracted more than 15,000 visitors from across Ahmednagar, making it a grand celebration of culture, health, and empowerment.

One of the key highlights of the event was the comprehensive health checkup camp set up by Rotary. Offering free services that included cancer screening, dental check-ups, and blood sugar detection, the camp underscored Rotary's dedication to community well-being. In addition to health services, the expo featured a variety of games and entertainment activities, ensuring that visitors enjoyed a holistic and engaging experience throughout the day.

To maximize public visibility and outreach, Rotary deployed a robust promotional strategy. The event was widely publicized through press releases, social media campaigns on platforms such as Facebook, Twitter, and Instagram, as well as through flyers, posters, brochures, and partner organizations' newsletters. Local radio and TV advertising further extended the reach, reinforcing Rotary's image as a socially responsible and community-focused organization.

In a bid to engage the audience on a more personal level, the club utilized social media effectively by running interactive quiz sessions within a closed women's group on Facebook—LAGAN (Ladies Group of Ahilyanagar). The winners of these quizzes were felicitated live at the exhibition. Moreover, in association with 104 MY FM, a series of on-the-spot games with exciting prizes added an extra layer of fun and spontaneity to the festivities.

Enhancing the overall experience, banners and hoardings were strategically displayed at prominent locations, while a dedicated wall showcased information on Rotary, its core values, the 4-Way Test, and the impactful projects undertaken by Rotary Midtown Ahmednagar. This comprehensive display not only informed but also inspired visitors, leaving a lasting impression of Rotary's commitment to service and community development.

# Library Donation

The Library Donation event was a landmark initiative aimed at empowering education across Ahmednagar District. As part of this generous project, the Rotary Club of Ahmednagar Midtown donated 50 cupboards, each stocked with 60 carefully selected books, to 100 different Z.P. Schools and Municipal Corporation Schools. This donation is expected to enrich the learning resources available to countless students and support the academic environment in these institutions.

The event was graced by esteemed dignitaries, including District Governor (3132) Rtn. Dr. Suresh Saboo, Bhagyashri Patil (CJSD & Secretary, DLSA), and Jayshri Karle, Extension Officer, Education, Z.P., Ahmednagar. Their presence underscored the importance of this educational initiative and provided an inspiring message of commitment to community development and literacy.

Held at Hotel Sanjog on NagarManmad Road, Ahmednagar, the ceremony featured a symbolic handing over of the keys to one of the donated cupboards to the Honorable Jayshri Karle. This gesture represented the transfer of knowledge and the hope that these new resources would significantly impact the educational journey of the students. Additionally, the presence of our beloved DG, Rtn. Dr. Suresh Saboo, and AG Prasanna Khagiwal further highlighted the collaborative spirit and strong leadership driving this project.

Overall, the Library Donation event not only provided tangible learning materials but also strengthened the community's commitment to education and development, setting the stage for a brighter future for the schools and students of Ahmednagar District.

Project Benefited to : 8000+
