Janmashtami Celebration

On 26th of August Janmashtami was celebrated with Curious Kids Pre-School along with our Interacts & Ann's. A cultural program with dahi handi was celebrated.

On the occasion of Shri Krishna Janmashtami, it's essential to introduce our little ones to the rich tapestry of Indian culture. Understanding and appreciating our heritage helps children develop a strong sense of identity and pride in their roots. It fosters respect for traditions and a deep connection to our values, which are vital in shaping their character.

Small celebrations like this at Curious Kids was a wonderful way to install the values early on children , ensuring that they grow up with a balanced and enriched perspective. Glimpses of a small celebration organised by Rotary Club of Ahmednagar Midtown in association with Curious Kids Pre-school
