

EDITORIALLY YOURS

The first regular meeting of the year, 10th July, happened to be Club Assembly and President Rtn Kurian managed it well. The meeting had two more items on the agenda, Ditsribution of awards received by the club to the respective winners and the release of Platinum Jubilee Lucky Dip Coupon. This paved way for complaints that the sanctity of budget presentation in the club assembly was lost. But it didn't precipitate much and we had a peaceful meeting though a bit lengthy. It so happened that the Ditsrict Award presentation ceremony of the previous year was held on the final day of the year and the next regular meeting of our Club happened to be the Club Assembly.

Our Treasurer Ajith R N presented the finance bill for the year 2024-25. He had done the job a couple of times earlier. He answered all queries in the provisions. Good job Ajith.

Rtn Vijayalakshmi Teacher has been nominated as the Chairperson of the project എന്റെ കണ്ണനി, a focus project of Ditsrict 3211 in association with the Kerala Vision TV. Congratulations Teacher for your continued passion for Rotary.

August is designated as "Membership and New Club Development Month". I am sure a few hundred new members will be added this year too. But after the end of the year, the net growth in membership will invariably be neglibible. The latest figures on membership of ditsrict 3211 is 161 clubs with a total membership of 5274. Our DG Rtn Sudhi Jabbar is very clear in his mind on membership growth. I had occasion to attend the Charter Presentation ceremony of RC Alleppey Town the other day. Sudhi spoke with much clartiy on the subject. He said that he is not in favour of adding more clubs by the break away groups, but suggested to strengthen the exsisting clubs with more qualtiy members. Sudhi has also requested to donate a modest amount of USD25 to the TRF by every member. Very reasonable indeed. Jai Rotary !
