RONALD REAGAN JOKES

You hear a lot of jokes every once in a while about 'Silent Cal Coolidge.' The joke is on the people who make the jokes. Look at his record. He cut the taxes four times. We had probably the greatest growth and prosperity that we've ever known. I have taken heed of that because if he did that by doing nothing, maybe that's the answer.

— Ronald Reagan —

AZ QUOTES

In 1984, President Ronald Reagan joked during a soundcheck, "I've signed legislation that will outlaw Russia forever. We begin bombing in five minutes." The off-the-record quip leaked and caused a temporary global crisis, with Soviet forces going on high alert.

A politician and a priest get to Heaven. The priest gets a single room, the politician a mansion. The politician asks how can that be, and St. Peter answers, "You have to understand, we have many priests, but you're the first politician that has ever made it here."

Presidential **jokes**

During a Correspondents' Dinner,

Ronald Reagan

told the following story about an aide:

"He said, 'Tonight you're going to address the group that accurately and competently reports on the Washington scene.' I said, 'That's funny, I thought I was dressing the White House correspondents.'"
