WEEKLY MEETING

President in his address thanked the members for attending the meeting in sizeable numbers and wished that this should become a part of our Friday routine, by which the forum can carry out meaningful discussions for the advancement of club functions. The secretary read the minutes of the previous meeting convened on 02 Aug 24.

The President announced this meeting will be classified as a General Body, as unanimously decided by the members present. He further stated that as there is still a chasm in the understanding of the club administration folio, Rtn PDG Suresh Mathew suggested that we may call for the assistance of a subject expert, who will be able to remove the cobwebs in the understanding. The house unanimously accepted this and authorized the President to arrange for such a meeting

Further on in the agenda, the Annual Budget for the RY 2024-25 was presented by the Treasurer and with certain modifications the house accepted the same.

President then requested the members to forward the annual club subscriptions to the Bank where Club's accounts are maintained.

Rtn PDG Suresh Mathew suggested that we may put a cap on the classification of members excused by the board from regular attendance. In this year as 6 members (which constitutes 12% of the membership), who had sought permission to be excused, we may accept this ratio in tandem with the permission extended by the Board. However, this ratio and the amount to be collected from such category of members may be reviewed every year by the respective board.

It was a day filled with warmth and compassion as our Interact Club members, under the guidance of our beloved teachers and inspiring Principal Dr. Annamma George embarked on a noble mission to Gandhi Bhavan, Pathanapuram. Our hearts swelled with pride as we collectively gathered bags brimming with essential items like rice and clothes, generously donated by our fellow students.

Reaching out to those in need has always been our club's core value, and today, we experienced the true spirit of giving. The smiles and gratitude we witnessed at Gandhi Bhavan were a testament to the impact of our small act of kindness. Beyond the joy of helping others, this experience has enriched our lives, fostering empathy and a deeper sense of responsibility towards our community.
