OUR PRESIDENT AND FIRST LADY

From the Editor

Dear Rotarians,

It is indeed with immense pleasure and happiness that I pen down these lines, for the beginning of a new journey. Rotary has provided us with an immense opportunity to serve society and benefit from the fellowship that brings us together for any noble cause. The last week of June gives us a new District Governor, District leaders, and club office bearers. This leadership change and the blossoming of a new clan of dedicated members will enhance the vision of Rotary, I trust.

As the editor, I assure you that this bulletin will serve the purpose of properly communicating all activities of the club including service projects. This will also seed and spread the message of Rotary among people, thereby enhancing its public image. I hope that this new team will realise more dedicated projects and bring more colorful friendships, thus holding the theme "Create your own legacy"

ROTARY CLUB OF TRIVANDRUM CENTRAL accords all supports and best wishes to Rtn. Major Donor Dr. Tina Antony as the District Governor. I also extend a genial and cordial welcome to the chief guest Sri. T. P. Sreenivasan (an Indian former diplomat and the head of the council for higher education of the state of Kerala) during the installation of our new president Rtn. Col. K. E. Rajan.

My best regards to our dynamic President and his dedicated team of office bearers

Thanking You,

Yours in Rotary

Editor, Club Bulletin, Centre of The Wheel

RI President

Francesco Arezzo

Francesco Arezzo, a member of the Rotary Club of Ragusa, Italy, has been selected by the Board of Directors to become Rotary International's president for 2025–26. Arezzo will become president on 1 July.

The Board conducted a special session following the unexpected resignation of RI President-elect Mário César Martins de Camargo on 8 June. Guided by the RI code and policies, the Board selected the new president-elect from a pool of candidates who were considered by the Nominating Committee for President of Rotary International in August 2023.

The 2025–26 presidential message, announced at the 2025 Rotary International Assembly in February, will remain Unite for Good, which calls on Rotary members to be a force for unity in a world increasingly divided by politics, geography, and ideology. Through service projects, Rotary brings together people of every background — across races, religions, and professions — in a shared mission to do good in their communities.

Arezzo is an orthodontist in private practice. He is active internationally as a member of the Italian, European, and American orthodontic associations. He is vice president of the National Association of Italian Dentists for the province of Ragusa and was the founder and head for seven years of the delegation for Ragusa of the National Trust for Italy. He is a Knight of Honor and Devotion in Obedience within the Sovereign Order of Malta.

A Rotary member for more than 30 years, Arezzo has served as vice chair of the Joint Strategic Planning Committee and as RI director, learning facilitator, and as district conference presidential representative.

Arezzo is a Benefactor of The Rotary Foundation. He is married to Anna Maria Criscione, an entrepreneur in the tourism field. They have two children.

Francesco Arezzo of Italy selected to be 2025–26 Rotary International President. Francesco Arezzo, a member of the Rotary Club of Ragusa, Italy, has been selected by the Board of Directors to become Rotary International's president for 2025–26. Arezzo will become president on 1 July.

DG's Message

It gives me immense joy to connect with each of you as we embark on a new Rotary year filled with promise and purpose. This year, our District theme — "Create Your Own Legacy" — is an invitation to each Rotarian to leave behind a mark of compassion, commitment, and meaningful service. Legacies are not built in grand gestures alone, but in the everyday acts of kindness, leadership, and courage that uplift others and strengthen our communities.

Aligned with Rotary International President's call to "Unite for Good," let us come together across clubs, professions, and generations to serve with one heart and one vision. In unity, there is strength — and with strength, we can create sustainable change that transcends time.

I urge you to dream big, act boldly, and lead with empathy. Let your projects reflect Rotary's core values, and let your club be a beacon of integrity and impact in your locality. Remember, every effort you make — whether in mentoring youth, protecting the environment, or advancing peace — is a step toward creating your legacy in Rotary.

Together, let us make 2025–26 a year to remember — a year when we didn't just serve, but united for good and built legacies that last.

Dear Rotarians and friends,

Message from our Immediate Past President

Dear Rotarians, Rotaryanns and Annettes,

When I lay down the Office of the President ship of this club for the year 2024-25, I do it with a mixed sense of satisfaction. I tried my best to carry the traditions and practices handed over to me by my previous Presidents in carrying out the functions to meet the core thinking of Rotary values.

As a leader, I tried to guide the club in various service projects, community development and international initiatives embodying the core values of Rotary – Service Above Self, fellowship and integrity. The implementation/commissioning of these projects were carried out with a view to organizing impactful programs, fostering partnerships and mentoring future leaders.

Recognizing the contributions and support - physically, morally financially enthusiastically and patronizingly - of members and past presidents, who remain active within our club. I was able to lead a vibrant team, to leave a legacy in the history of our club by commissioning the first Global Grant Project of our club – Blood Bank on Wheels, in the existence of 38 years of our club.

I thank everyone – brother Rotarians, Rotaryanns and Annettes, who travelled with me in the past year, to complete my tenure of President ship successfully.

I wish the very best to the incoming team of office bearers for the Rotary Year 2025-26

Yours in rotary

Rtn. Captain Kartha
Immediate Past President 2024 -25,
Rotary Club of Trivandrum Central

Message from our Assistant Governor

Dear Rotarians and friends

I'm delighted to extend my heartfelt congratulations to Rtn. Dr (Col) K.E. Rajan, our incoming President, and the newly appointed office bearers for the Rotary year 2025-26. Under the dynamic leadership of Dr.Tina Antoney, our first Lady District Governor, and inspired by the theme "Legacy," we have a remarkable opportunity to contribute meaningfully to Project OPPOL — the district's flagship initiative focused on the well-being and empowerment of women and children.

I am confident that under your new leadership, the Rotary Club of Trivandrum Central will continue to inspire change, strengthen communities, and uphold Rotary's core values through impactful projects and enthusiastic participation.

Let us truly "Unite for Good"—and carry forward the Rotary spirit of "Service Above Self" to make this year one of collaboration, innovation, and compassionate service.

I wish the new team a successful and fulfilling year ahead and assure you of my wholehearted support in all your endeavors.

In Rotary Service,

Dr. B. Baiju,
Assistant Governor – Zone 6
Rotary International District 3211

Message from the Past District Governor

Rtn. Major Donor. Suresh Mathew

Rotary leadership, to me, is very much like the game of Snakes and Ladders. We all start from Square One, full of hope, ambition, and enthusiasm. We climb one square at a time, learning, leading, and serving. Just when we think we have reached the top, ready to celebrate the 100th square, a snake of time pulls us back to the start, turning a president into an "Immediate Past President" overnight!

Doesn't it feel like Capt. K R Kartha took over just yesterday? And now, we're all set to welcome Col. Dr. Rajan as our new captain of the Rotary ship for 2025-26. Time flies, and so does the Rotary wheel, never pausing, never slowing.

This coming year is truly special. For the first time in Rotary's history in Kerala, a lady leader will be serving as our District Governor, a proud moment for all of us who believe in equity and inclusiveness.

If I were to break down the word LEAD, here's what it would mean in Rotary:

L - Learn: A great Rotary year starts with learning. That's why programs like Pre-PETS, PETS, and other training sessions are so crucial. They prepare a president not just to wear the collar, but to carry its weight with confidence.

E - Engage: Once the Rotary year begins on July 1st, there's no time to waste. The president must engage the team, bring energy into the club, and set the tone for the year.

A - Accelerate: A Rotary year flies faster than we think. Projects, meetings, service events - they all come like waves. Quick decisions, faster execution, and a sense of urgency define success.

D - Delegate: And here lies the hardest part. Many presidents fall into the trap of trying to do everything themselves. In the end, they burn out, and the club misses out. Rotary is teamwork, and effective delegation is the only way to multiply impact.

But let's be honest, delegation in Rotary isn't easy. Many members see Rotary as a way to unwind once a week. They might not see themselves as "doers" in the club machinery. That's where leadership really counts.

Appreciation is a powerful tool every president must master in the art of delegation.

A good leader should never hold back when it comes to recognizing and praising team members, no matter how small their contributions may seem. Genuine appreciation builds motivation, trust, and teamwork, the very foundation of a vibrant Rotary club.

Message from the Past Assistant Governor Rtn.Major Donor.Dr.Ranjit Suseelan

Dear Rotarians and Friends,

It gives me immense joy to pen a few words for the Installation Bulletin of the Rotary Club of Trivandrum Central. Installation ceremonies are not merely about the change of leadership—they symbolize continuity, fresh energy, and renewed commitment to the ideals of Rotary. As we welcome the new team, let us also take a moment to appreciate the dedication and achievements of the outgoing leaders who have upheld the values of Service Above Self.

The coming Rotary year holds countless opportunities to make a meaningful impact in our community and beyond. With your collective enthusiasm, innovation, and fellowship, I am confident the new leadership will steer the club to greater heights.

Wishing the incoming President and team a successful, impactful, and fulfilling year ahead. May you continue to shine as a beacon of service and inspiration.

In Rotary Service,

Rtn.Major Donor.Dr.Ranjit Suseelan.

The history of "Rotary Ann's".

In many Rotary clubs throughout the world, wives of male members are affectionately called "Rotary Ann's." This designation was never one of disparagement, but rather grew out of an interesting historical occasion. The year was 1914 when San Francisco Rotarians boarded a special train to attend the Rotary Convention being held in Houston. In those days few wives attended Rotary events, and until the train stopped in Los Angeles, the only woman aboard was the wife of Rotarian **Bro. Brunnier**. As the train picked up additional convention-bound delegates, Mrs. Ann Brunnier was introduced as the Rotarian's Ann. This title soon became "Rotary Ann." Since the clubs of the West were inviting the Rotarians to hold their next convention in San Francisco, a number of songs and stunts were organized that would be performed in Houston. One of the Rotarians wrote a "Rotary Ann" chant. On the train's arrival at the Houston depot, a delegation greeted the West Coast Rotarians.

One of the greeters was **Guy Gundaker** of Philadelphia, whose wife was also named Ann. During the rousing demonstration, someone started the Rotary Ann chant. The two petite ladies, Ann Brunnier and Ann Gundaker, were hoisted to the men's shoulders and paraded about the hall. The group loved the title given to the two women named Ann. Immediately the same term of endearment was used for all of the wives in attendance, and the name "Rotary Ann" was here to stay. **Guy Gundaker** became president of Rotary International in 1923 and **Bro. Brunnier** was elected president in 1952. Thus, each of the two original Rotary Ann's became the "first lady of Rotary International."

Our Chief Guest

T.P. Sreenivasan

The Rotary Club of Trivandrum Central is honored to welcome Ambassador T.P. Sreenivasan as the Chief Guest for the Installation meeting of our club. He is a man whose distinguished career in diplomacy has brought great pride to India and serves as an inspiration to all. Sreenivasan has a creditable academic record, having stood first in the University of Kerala in BA(English) and MA (English). He has won several distinctions during his student days. He speaks Japanese and Russian.

Ambassador Sreenivasan served in the Indian Foreign Service for over three decades, representing India in key diplomatic missions across the world. His notable postings include stints in Moscow, Washington, Nairobi, Fiji, and Vienna, and he served as India's ambassador to Austria and Slovenia. He also held the prestigious role of permanent representative of India to the United Nations in Vienna.

A seasoned negotiator and articulate spokesperson for India on the Global stage, he was deeply involved in international disarmament talks and played a vital role in shaping India's nuclear diplomacy. His years as Deputy Permanent Representative to India to the United Nations in New York saw him engaged in critical global policy matters, including peacekeeping, sustainable development and South-South cooperation. Post retirement, Sreenivasan continues to contribute to the field of international relations through his writing, speaking engagements and academic involvement. He served as the Executive Vice Chairman of the Kerala State higher Education Council and frequently writes columns for national dailies on foreign policy and global affairs. He is also a respected author, with several books to his credit, including memoirs and reflections on diplomacy, global politics, and India's role in world affairs. His clarity of thought and candid insights make him a sought-after speaker and commentator.

As Rotarians we believe in the Service Above Self philosophy that Ambassador Sreenivasan has embodied his lifetime of public service.. We are privileged to hear from a man who has not only witnessed history unfold but also played an active role in shaping it. We must extend a warm Rotary welcome to Ambassador T.P. Sreenivasan, and look forward to an evening of insight, inspiration, and global perspective.
