PRESIDENTS' MESSAGE

Rotary focuses on seven areas which covers almost all zones where attention is needed for creating a better world. Having a focus project help the club to concentrate on certain areas for better performance and presentation.

Water, Sanitation and hygiene is the third focus area of Rotary International. This focus area emphasizes providing access to clean water, improving sanitation facilities, and promoting hygiene practices to create healthier communities. By focusing on this area we aim to reduce waterborne diseases, improve health outcomes, and enhance the quality of life. Access to clean water and proper sanitation is essential for human dignity and development.

Children are much more prone to diseases by way of their actions and habits. They love sharing food or water with their close friends, but this could be the grounds for spreading communicable diseases. There may also be children who don't have arrangements to bring their own water or separate bottle to fetch water. In a survey conducted by the club it was revealed that the most schools provide boiled water to the students but many students don't have facility to collect or store such water for their use. Remain hydrated is very essential for children as they

are more active. Thus, our focus project 'Bottles of Hope' was born.

Our focus project 'Bottles of Hope' is aimed at providing good quality water bottles, with the pictures of the students, free of cost to children below ten years and studying in primary schools of comparatively backward areas. The project 'Bottles of hope' encapsulates the idea that providing water bottles to students is not just

about quenching physical thirst but also about fuelling their ambitions and drive to succeed academically. The name reflects the dual purpose of the project: providing essential hydration

while symbolizing our commitment to fostering a brighter, more hopeful future for students. The name also conveys a message of care and support, aligning with the values practiced by our Club.

This project targets young minds. Our public image and impression are going for a giant leap through this small project as these bottles directly lands in the household of hundreds of children.

HAPPY ONAM

Rtn. S S NAIR, President

Focus Project-

BOTTLES OF HOPE

Water, Sanitation and hygiene is the third focus area of Rotary International. This project is aimed at providing good quality water bottles, with the pictures of the students, free of cost to children below ten years and studying in primary schools of comparatively backward areas. The project 'Bottles of hope' encapsulates the idea that providing water bottles to students is not just about quenching physical thirst but also about fuelling their ambitions and drive to succeed academically. The name reflects the dual purpose of the project: providing essential hydration while symbolizing our commitment to fostering a brighter, more hopeful future for students. The name also conveys a message of care and support, aligning with the values practiced by our Club.

The project aims to supply minimum one thousand bottles to students covering twenty-five schools. The members of our Club have always shown enthusiasm and eagerness in supporting such sustainable projects, and in all probability, we may surpass our modest target in two months' time.

Minutes of Director Board Meeting **held on 7th Aug 2024**

•The Budget for the Rotary year 2024-25 were presented by the Treasurer. After a detailed discussion it was approved with the following changes.

- a. Amount needs to be shown as donation from Rotarians and corresponding amount shown as expenses against service projects. This donation happens every year.
- b. It was decided to allow the club hall to Rotarians for their personal/domestic functions after charging a nominal amount. An appropriate amount in this count should also be included in the Budget.
- c. The following terms will apply for such allotment.
 1. Rotarians and their families only could avail this facility.
 2. The rent will be Rs.2,000/- (Rupees two thousand only) for first two hours and Rs.500/- each for additional hours.
 3. Tips for the club boy should be paid separately.
 4. The decision of the Club President will be final in case of any dispute

•The Income and expenditure accounts for the month of July, 2024 was

presented. It was also approved with the suggestion that an abridged version may be posted in the WhatsApp group of the Club.

•The President explained about the proposed Focus project for distributing water bottles to students of schools where economically weaker students are enrolled. The bottles will be of good quality and the photos of the students will be printed in them. This project is likely to give good publicity to Rotary. The project is named 'Bottles of Hope'.

- The President also informed about a project for recognizing the cooking staff of the Government schools. The idea is to provide a pair of aprons and caps which they can use while on duty. A suggestion to donate "Ona Kodi" to them was also accepted subject availability of sponsors.
- The President also informed that in order to improve the image of Rotary the Rotarians should use, Rotary stickers in their houses and vehicles.
- The meeting was adjourned by the President after vote of thanks.

Why I am still in Rotary?

Rtn. S. Muralidharan

Reflecting on my journey in Rotary, I find myself drawn back to the moment when the idea was first introduced to me by a dear friend, Rtn Radhakrishnan. Back then, Rotary seemed like an exclusive club reserved for the privileged few, a notion I shared with many. However, Radhakrishnan's persistent efforts to enlighten me about the manifold benefits of Rotary gradually piqued my interest.

I vividly recall the day when, accompanied by his spouse, he made a concerted effort to shed light on the transformative power of Rotary. His anecdotes about esteemed members of the Rotary Club of Quilon West, their accomplishments, and the camaraderie within the organization began to dismantle my preconceived notions. It was during this conversation that the seed of curiosity was planted within me.

The turning point came when Radhakrishnan mentioned the opportunity to listen to speeches by esteemed individuals like Professor K. Udayakumar, whose oratorical prowess I deeply admired. It was then that I realized Rotary was not just an organization; it was a gateway to personal growth, community service, and invaluable connections.

The induction ceremony into Rotary remains etched in my memory, marked by the inspiring words of the late PDG Dr. Paul Christian. From that moment on, I embraced Rotary wholeheartedly.

As I delved deeper into the world of Rotary, I was awestruck by its global impact. With over 1.2 million members worldwide, Rotary stands as the largest service organization, dedicated to serving humanity irrespective of

religious or national affiliations. From eradicating polio to supporting education and healthcare initiatives, Rotary's commitment to making the world a better place resonated deeply with me.

Rotary became a catalyst for personal transformation. It honed

my leadership skills, provided platforms for public speaking, and enriched my understanding of global issues. Serving as District Editor four times and as a respected Master of Ceremonies, I owe much of my professional and personal growth to Rotary.

However, beyond accolades and achievements, the true essence of Rotary lies in the friendships forged and the sense of belonging it instills. As one past RI

President aptly put it, "Where else can one find such a wealth of friendships?" Indeed, Rotary transcends boundaries, uniting individuals from diverse backgrounds in a common purpose of service and fellowship.

Today, as I reflect on my journey as a Rotarian, I am filled with gratitude for the profound impact it has had on my life. From fostering lifelong friendships to providing avenues for community service and personal development, Rotary has been a beacon of hope and inspiration.

In essence, I remain a Rotarian not just for the opportunities it affords me, but for the profound sense of purpose and belonging it brings. As long as Rotary continues to champion the values of service, fellowship, and humanitarianism, count me in, for I am proud to be

a Rotarian, now a Rotarian of the prestigious RC of Kazhakuttom.

Words of Sri. Jeeva Anandan after attending our weekly meeting as a Guest speaker on 17/8/24.

Thank you very much for giving me an opportunity to interact with the Rotarians.

You people are doing exceptionally well and are compassionate. 😊

Please keep the spirit and continue doing the good things. 👍

Sometimes I spoke extra without checking the time. Apologies for that. 🙏

The evening was very enchanting the food was really tasty. 😊

Thanks once again 🙏

EDITORIAL

ഒരു കർക്കിടകം കൂടി വിടവാങ്ങുമ്പോൾ മറക്കാനാകാത്ത ഒരു വൻ ദുരന്തം നമ്മുടെ നാടിനെ വേട്ടയാടി. ഈ സങ്കടത്തിന്റെ ആഴം വാക്കുകൾക്കതീതം. ഉരുൾപൊട്ടിവന്ന കൊടുംദുരന്തം നൂറുകണക്കിന് ജീവിതം ഒറ്റരാത്രികൊണ്ട് ഇല്ലാതാക്കി. കല്ലിന്മേൽ കല്ല് ആവശേ ഷിപ്പിക്കാതെ അവരുടെ ജീവിതകാലത്തെ അധ്വാനത്തെ പാറക്കല്ലുകളാലും കുത്തിയൊലിച്ചു വെള്ളത്തിന്റെ പ്രഹരത്താലും കിലോമീറ്ററുകൾ ഒഴുകി ജീവൻ നഷ്ടപ്പെട്ട ശരീരഭാഗങ്ങൾ ചിന്നിച്ചി തറി. ആ കാഴ്ചകൾ കണ്ടുനിന്നവരുടെ കരളുലയിച്ചു.

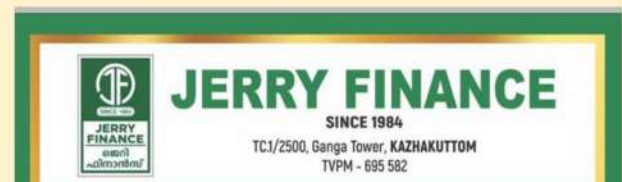

ഈ അവസരത്തിൽ നാം കാണേണ്ടതായ കാര്യം കേരളത്തിന്റെ മലയോരമേഖലയും കടൽത്തീരവും പുഴയോരവുമെല്ലാം മനുഷ്യവസമല്ലാതാവുകയാണോ എന്നുകാര്യം പരിശോധിക്കേണ്ടതാണ്. ഐക്യരാഷ്ട്ര സംഘടനയുടെ ഇന്റർഗവണ്മെന്റൽ ചാനൽ ഓൺ ക്ലൈമറ്റ് ചേഞ്ച് മൂന്ന് വർഷം മുമ്പ് പ്രസിദ്ധീകരിച്ച പഠന റിപ്പോർട്ട് കേരളത്തിന് ശക്തമായ മുന്നറിയിപ്പ് നൽകുന്നു. ചുരുങ്ങിയ സമയത്തിൽ ശക്തമായ മഴ കാറ്റ്, ഇത് ഉരുൾപൊട്ടാലും വെള്ളപ്പൊക്കവും കടലക്രമണവും ഉണ്ടാക്കുന്നു. കേരളത്തിന്റെ ഭൂപ്രകൃതിക്ക് വൻ നാശം ഉണ്ടാക്കാനുള്ള പ്രകൃതി ദുരന്തങ്ങളെക്കുറിച്ച് ഈ റിപ്പോർട്ട് മുന്നറിയിപ്പ് നൽകുന്നു. ഇവിടെ നാം ഈ റിപ്പോർട്ടിനെ കാര്യമായി എടുത്തില്ല എന്നത് ഓർക്കേണ്ടതാണ്. ഇനിയെങ്കിലും ഇതിന് വിലകൽപ്പിച്ചുകൊണ്ട് പ്രകൃതിക്ക് ദോഷമാകുന്ന ഖനനങ്ങൾ ആശാസ്ത്രീയ നിർമ്മിതികൾ ഉണ്ടാകുന്നത് തടയണം.

മനുഷ്യമനസ്സുകളെ കണ്ണുനീരിലാഴ്ത്തി അവരുടെ ജീവിതത്തെയും ജീവിതപാധികളെയും പിഴുതെറിഞ്ഞ ഈ ദുരന്തത്തിൽനിന്നും കരകയറാൻ നമ്മളും കൈകോർക്കേണ്ടവേളയാണിത്. മുഖ്യമന്ത്രിയുടെ ദുരിതാശ്വാസ നിധിയിൽ നമ്മളാലാകുന്നവിധം സംഭാവന നൽകണം. ഈ മനുഷ്യരെ പഴയ രീതിയിൽ കൊണ്ടുവരാനാകില്ലെന്നറിയാം. എന്നാലും അവരെ ആത്മാഭിമാനത്തോടെ ജീവിക്കാൻ നമുക്കും കൈകോർക്കേണ്ടതുണ്ട്.
