Ramashram, located at NH-2, Govindpur, Dhanbad. The property is on main road making it a very convenient location easily accessible from Dhanbad and its outskirts. The land is surrounded by green fields creating a calm, clean, green and pollution free environment.

The main building will have four floors and each floor will be of approx 4000 sqft. Spacious bed rooms, living rooms, dining room, kitchen, library, borewell, water purification plant will be the salient features.

24 hours attendants and security personnel will be available. CCTV surveillance system will be installed for round the clock security of senior inmates

Rooms will be suitable for single/double bed occupation with attached bathroom having western toilet facilities for senior citizen. Each room will be furnished with cots, beds, fans, almirahs, writing table, chairs, locker facilities e.t.c.

A library of 250 sqft, with a collection of books on poetry, essays, short stories, periodicals, spiritual, philosophy, novels and daily english and hindi newspapers. To keep the senior citizens busy library will be well equipped with chairs and tables.

Ramashram will have in house kitchen of 600 sqft with store rooms, it will be equipped with modern cooking ranges, water filters, refrigerators, wet grinders and utensils. The senior inmates will be provided with tasty nutritious and pure vegetarian food. Dining hall will be made on each floor with common television and air coolers/air conditioners,

Beautiful landscaped garden having fruits, flowers and vegetable plants. In the evening the inmates will enjoy nature by sitting in the lawns and share their memories of life, A special kitchen garden will be developed, vegetables will be grown by natural manures for self consumption of Ramashram.

Mandir with yoga / meditation hall will also be made. This hall will be of 1500 sqft and will be highly useful for physical fitness and mental peace of the senior inmates. Gym, physiotherapy & naturopathy facilities will also be incorporated in due course.

Regular Medical Checkups will be provided with help of local doctors to take care of day to day medical issues of the inmates. An ideal home in every sense ! We aim to create an atmosphere of self respect and self reliance by encouraging the senior inmates through counseling and companionship
