President Writes....

President's Message

My Dear Fellow Rotarians,
It is with great pride that I reflect on the incredible

synergy our team displayed during the successful execution of the Swarnakana Olympiad online examination and the subsequent annual award ceremony. This achievement was made possible by the generous contributions and dedication of our members. I would also like to extend a special thank you to our partners who supported the cash prizes for our talented awardees.

Service Above Self

Our commitment to the community remains steadfast through several impactful projects:

* Supporting the Elderly: We welcome our new member, Mrs. Susmita Chatterjee, and thank her for sponsoring a water purifier for the "Thikana-Bhalobasha" Old Age Home. My gratitude also goes to Rotarian Ananda Roy for his kind donation of 50 kg of rice and 25 kg of dal to the same facility.

* Youth & Education/Water: We thank Dr. Pratik Mitra for his generous donation of a water cooler to Mahesh Vidyapith High School in memory of his late father.

* District Collaborations: Our club continues to stand with District 3291 for social causes, serving as a co-host for the Project Life Beyond Cancer (LRC). We are also proud co-hosts of the District RCC Seminar scheduled for March 28th and 29th.

* Participation in the District program: Ten of our members recently represented us at the District Conference, and our leadership team—including Club Mentor Kalyan Bose, Dr. Pratik Kr. Mitra, and PE Prosenjit Chakraborty—attended the PELS in IIM Kolkata.

Fellowship & Achievements

Our recent Basanta Utsav was a vibrant success, filled with cultural programs and fellowship at the Shishirkunja Abasan Club House. I thank all members and their families for making the event so colorful.

Furthermore, let us congratulate Rotarian Dr. Pratik Kr. Mitra on his prestigious appointment to the Rotary Foundation Cadre of Technical Advisers for Disease Prevention and Treatment, as well as Maternal and Child Health.

Looking Ahead

As we move forward, please keep the following key dates and goals in mind:

* Upcoming Seminar: We must gear up for the Secretary Elect Learning Seminar (SELS) on April 26, 2026.

* Member Engagement: To strengthen our club, we need to increase regular attendance at our RWMs. I welcome all members to share their suggestions on how we can better address this and grow together.

Yours in Rotary Service,

Uday Sankar Bose
