## President Writes....

Dear Esteemed Members,

I extend my heartfelt congratulations to each of you for your active participation in our club's activities throughout this past month. We have successfully completed the first month of the Rotary year 2025-26.

July was a significant month, observed throughout the Rotary fraternity as Mental Health and Child Health Month<sup>4</sup>. Our Club Installation program, "SANGATI," was organized with great enthusiasm and presence, graced by DG Rotarian Dr. Ramendu Homchowdhury and many distinguished Rotarians from our district and fellow clubs<sup>5</sup>.

This month, our club proudly co-hosted a mega health check-up program, a blood donation camp, and a free eye check-up camp<sup>6</sup>. I want to express my sincere gratitude to our club mentor, PP Rotarian Kalyan Kumar Bose, for the successful execution of our annual projects, "Anna Kana Midday Meal" and "Educational Kit Distribution," both held at his residence, Basu Villa<sup>7</sup>.

I am also delighted to announce the induction of three new members into our team. On behalf of all club members and myself, I extend a warm welcome to them.

The theme of this Rotary year is "unite for good". To truly achieve this, it is essential that we first unite amongst ourselves. Therefore, attending our regular weekly meetings and engaging in subsequent discussions are key to accomplishing good for society.

Looking ahead, August is designated as Membership and New Club Development Month. I urge all of us to collectively strive to keep our club a beautiful place for our regular activities. I also request our members to actively search for prospective individuals to join our club.

Remember, time is the essence of life. Let us commit to following the time schedule for our Regular Weekly Meeting (RWM) as discussed in our first meeting. Let us together enjoy the spirit of Rotary through fellowship and dedicated service to society.
