I take this opportunity to express my sincere gratitude to all the members of Rotary Club of Budge Budge, who have reposed faith on me to lead the Club for the Rotary Year 2023-24. Keeping in mind about the enriched and esteemed 59 years history of RCBB in its path towards service for mankind and society, it is our utmost priority and responsibility to maintain the good work going and keep the flag high for our Club.

I am confident that, I will receive constant support and encouragement from my fellow Rotarians in my endeavour to scale new heights for the Club. This year I sincerely look forward to induct potential new members in our club in the quest for our relentless service to the society.

I congratulate outgoing President Rtn Nilanjan Sen and his Team for putting up an outstanding performance in the last two Rotary Years. I would also like to express my thanks to our IPDG Ajoy Kumar Law for his whole hearted support to RCBB round the year.

I am fortunate to have a dynamic Rotarian like Hiralal Yadav as the District Governor to lead us. On several occasions he has guided and motivated us and I expect that he will be a constant source of inspiration to us throughout the Rotary Year 2023-24.

Dear President Krishnendu,

I am joined by Deepali in congratulating you as you don the mantle of leadership of your Club. Taking up a new responsibility is always a challenge and I am sure that you will rise to such a challenge!

I take the opportunity to thank your outgoing President and all your Club members for the dedicated service rendered by your Club during Rotary year 2022-23 as we Imagined Rotary!

Rotary, my friend is a unique journey! Rotary gives us colossal opportunities to make new friends, strengthen our bonding with existing friends and together - we get the opportunity to serve mankind to the best of our abilities!

Rotary International President for 2023-24, Rtn. R. Gordon McNally has given us a vibrant theme "CREATE HOPE IN THE WORLD". Our world leader's goal is to restore hope to help the world heal from destructive conflicts and to help achieve lasting change. He has emphasized the need for peace and continuity, including working toward diversity, equity and inclusion, while not neglecting our mission to end polio! His feels that Rotary should exist everywhere in a style to suit everyone who has the desire to be part of Rotary and to help us Rotarians do good in the world.

I consider myself TREMENDOUSLY fortunate to have the opportunity of working with him! The major initiative introduced by my GURU in Rotary, our own Rtn. Shekhar Mehta and followed by his predecessor Rtn. Jennifer Jones – "Empowering Girls" will also remain as his focus area. His other two focus areas are Mental Health and Building Peace through Virtual Exchanges.

The clarion call "Create Hope in the World" is there for you my friend! Let us capture the attention of the world and lead the way toward possibilities far beyond our current expectations, to Create Hope in the lives of humankind!

Best regards,
Yours in Rotary Service
