Message from

KRISHNENDU BISWAS

President - RY 2024-2025

(Rotary Budge Budge, R I Dist - 3291)

Rotary

I take this opportunity to express my gratitude to all the members of Rotary Club of Budge Budge, who have reposed faith on me to lead the Club for two consecutive years. The RCBB has a glorious past and we all are responsible for keeping its flag high.

I am confident that, I will receive constant support and encouragement from my fellow Rotarians in my endeavour to scale new heights for the Club. This year I shall induct new Rotarians in our club to increase the membership strength.

I congratulate the team for putting up an outstanding performance in the last year. I would also like to express my thanks to our IPDG Hira Lal Yadav for his whole hearted support to RCBB.

I am fortunate to have a dynamic Rotarian like Rtn (Dr) Krishnendu Gupta as the District Governor to lead us. On several occasions he has guided and motivated us and I expect that he will be a constant source of inspiration to us throughout the Rotary Year 2024-25.

Best regards,
Yours in Rotary Service

Krishnendu Biswas
President 2024-25

Rtn. Krishnendu Biswas
Rotary Club of Budge Budge

I congratulate you on your installation to the office of club President at the Rotary Club of Budge Budge, West Bengal, India.

Rotary needs your leadership now more than ever if we are to make every club and district an irresistible experience. By following Rotary's Action Plan and making sure all members feel a sense of belonging in your club, you have a special opportunity to inspire members to new heights of service.

Our ability to create lasting change begins with our family of Rotary. Together, it is within our power to bring healing in a divided world.

Join me in making Rotary a source of strength for those who need it most, within and beyond our membership. Let this be the year we harness The Magic of Rotary, and let Rotary be known as an organization that takes care of its members as well as the people we serve.

It is within your power to help make your club a beacon of goodwill and fellowship in your community.

I look forward to working beside you as we change the world with The Magic of Rotary.

Warm regards,

A handwritten signature in black ink that reads 'Stephanie A. Urchick'. The signature is written in a cursive, flowing style.

Stephanie A. Urchick
Rotary International President, 2024-2025

DR. KRISHNENDU GUPTA

District Governor
RI Dist 3291
RY 2024-2025

Rtn Krishnendu Biswas

President 2024–2025, Rotary Club of Budge Budge, RID 3291

Dear President Elect Krishnendu Biswas

Greetings and best wishes from Dr Simran and my family.

It will be yet another historic day on 01 July 2024 when the second-ever lady Rotarian RIPE Stephanie A Urchick from RC McMurray, Pennsylvania, USA, will take over the reins of Rotary International with the wonderful theme “THE MAGIC OF ROTARY”.

On the very same date, we too will be extremely fortunate to have been given the opportunity to officially take care of the health and welfare, of all our fellow Rotarians of District 3291 for one full Rotary year.

On that very day, you too shall be taking up the mantle of your club and work towards the benefit of both your club members and the society at large. I am very happy to note that you are already planning service projects and we expect that those shall be sustainable projects creating new development of marginalized people.

The service projects that we do for the benefit of the lesser privileged in our community, is truly magical. It brings about positive change towards betterment and sometimes, a total change in the lives of our beneficiaries. And while doing these meaningful projects, we also get together, bond and enjoy ourselves. This is “THE MAGIC OF ROTARY”.

I am positive that your vibrant club shall do this magic, as they have done in the past, and continue to serve to change lives.

Simran and I wish you and your esteemed club members the best and eagerly look forward to working together for a wonderful and fruitful Rotary Year 2024–2025.

Thanking you.

Kind regards.
Yours-in-Rotary

A handwritten signature in blue ink, appearing to read 'Dr. Gupta', with a long horizontal line extending to the right.

Dr Krishnendu Gupta
District Governor, 2024–2025
Rotary International District 3291

DR RAMENDU HOMCHAUDHURI

District Governor Elect

RI Dist 3291

RY 2024-2025

Dear Fellow Rotarians,

Friends, a new year means new beginnings and new opportunities. As we step into this new Rotary year, we embark on a journey filled with promise and potential. This year, we are proud to have another woman at the helm—Stephanie Urchick. Her leadership inspires us to strive for excellence and make meaningful contributions to our communities.

Rotary's magic lies in its ability to bring together individuals dedicated to making a difference. This year, let's harness that magic to prioritize peace, balance, and continuity in all our endeavors.

The Magic of Rotary

- **Prioritizing Peace:** Peace is fundamental to all our efforts. By fostering understanding, tolerance, and cooperation within our communities, we can build a foundation for lasting peace. Let's engage in projects that promote conflict resolution and support peaceful coexistence.

- **Ensuring Continuity:** Continuity in our actions ensures that our projects and initiatives have lasting impact. By building on past successes and learning from challenges, we can create programs that endure and continue to benefit communities for years to come.

Friends, we all should be proud of the fact that our collective efforts have led us to fight a disease that had been crippling the world for hundreds of years. Friends, you all know what I am talking about: polio. Today, we have only six cases around the world. But this does not mean we have completely eradicated it. We should continue to spread awareness about the disease and the vaccine so that we can sustain our achievement and keep the disease out of the world.

Friends, I want to draw your attention to another matter that needs our grave attention.

Prevention of Preventable Diseases

One of our primary missions is to combat preventable diseases, such as thalassemia and cervical cancer (Ca cx). These diseases can have devastating effects on individuals and families, yet they are 100% preventable through education, vaccination, and early detection.

By working together, we can raise awareness, support screening programs, and provide necessary medical interventions. Our efforts in this field are saving lives and enhancing the quality of life for countless individuals.

Environmental Sustainability

Environmental sustainability is another crucial focus for Rotary. The health of our planet directly impacts the well-being of its inhabitants. We must take active steps to protect our environment through tree planting, waste management initiatives, and the promotion of renewable energy sources. By fostering a sense of responsibility towards our environment, we ensure a better future for generations to come.

As we welcome the new Rotary year, I encourage each of you to embrace Rotary's causes with passion and dedication. This fresh start presents us with new opportunities to innovate, collaborate, and make a significant impact. Let's harness the power of Rotary to create a healthier, more sustainable world.

Together, we can overcome challenges, uplift communities, and leave a lasting legacy.

Thank you for your commitment to service above self. Here's to a year of growth, impact, and transformation.

Kind regards.

Yours in Rotary,

DG Dr. Ramendu Homchaudhuri

Rotary International District 3291 - 2025-26

TAPAS BHATTACHARYA
District Governor Nominee
RI Dist 3291
RY 2024-2025

Dear Rtn Krishnendu

At the outset I like to congratulate you for taking over the mantle of your club leadership as the President for the Rotary Year 2024-25. I am sure you and your team will show the Magic of Rotary changing the lives of the suffering humanity and community as well. I also like to congratulate you and your team for the Rotary Year 2023-24 for your outstanding service to the community creating a great hope for a better tomorrow.

Rotary club members are volunteers who work locally, regionally, and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio under the motto Service Above Self. I am confident you and your club members will be a part of it. I think under your dynamic leadership your club members will participate in meaningful service which will make a difference in the community. Your efficient leadership will channel this commitment through five Avenues of Service — Club Service, Vocational Service, Community Service, International Service, and Youth Service. You will help your club thrive by offering your expertise and skills through serving as Club President. I am confident your able leadership will lead the way your club to participate in local service activities, participate in international projects, use professional expertise, support Interact Club, participate in Rotary Youth Leadership Awards, work with Rotary Community Corps, use club members skills with a Rotary Action Group, apply for Grant – Global Grant and EIRWT, join the effort of Rotary to eradicate Polio from the earth and support Rotary Foundation by giving, which sustains thousands of projects in your community and around the world. I opine that your exemplary leadership will lead your club to support projects and programs that transform lives by addressing poverty, disease, conflict, and lack of education and water and show the magic of Rotary.

With Best Wishes
Yours-in-Rotary

Rotary Club of Budge Budge PROJECTS OF RY 2024-2025

Doctor's Day Celebration

On 1st July RC Budge Budge celebrated Doctor's day at GRSM eye hospital. Doctors of the eye hospital and dental clinic were facilitated.

The doctors and entire hospital staffs were honored with gifts. The program was graced by PDG Ravindra Prakash Sehgal's distinguished presence.

Rotarian Present were 14, PDG Ravindra Sehgal as a Speaker, Doctors- 8, Staff- 29, Guest -15 . Gifts and Sweet Packets were distributed among all Doctors & Staff.

'The dream comes true'

Inauguration of Retina Set up

GRSM Rotary Eye Hospital (RC Budge Budge) has aquired state of art Retina surgery equipments which was inaugurated in a dedicated ceremony in presence of PDG Ravindra Prakash Sehgal, doctors and club rotarians on 1st July.

The availability of most sophisticated Retina surgery equipment will greatly benefit individuals from low income backgrounds and enable them to access vision restoration at a substantially reduced cost.

The cost of Retina surgery setup is approximately 1.5 crores.

AVOID THALASSEMIA BY GETTING YOUR BLOOD TESTED

How can a carrier pass on sickle cell disease to their child?

The chart shows that when two people who are both carriers have a baby together, there is a one in four (25%) chance that their baby may inherit sickle cell disease.

What does this mean for your family?

Your baby inherited their gene for sickle cell from either you or your partner. This means that one of you (or may be both of you) is also a healthy carrier.

- We recommend that both you and your partner find out if you are carriers. This is particularly important if you are thinking of having another baby. If both of you are carriers, there is a chance that you could pass on sickle cell disease to your next baby.
- It may also be a good idea to talk to other members of your family (such as your brothers and sisters, aunts, uncles and cousins) and encourage them to get a test before they start a family, in case they are carriers too. Showing them this leaflet may help. The test is a simple blood test and takes just a few minutes. To arrange the test, you can ask your GP.

**GET YOUR PROPER BLOOD TEST
 LET US BUILD A THALASSEMIA FREE WORLD!**
