“Vocational Service gives Rotarians the opportunity to help others escape poverty and gain a measure of self respect. As business and professional leaders, we have a duty to lead and encourage good ethics through Vocation.” –Carlos Frum, PDG, D6440

The Vocational Service of Rotary focuses on how the members’ vocational talents contribute to resolve the problems and requirements of our society. So, applications of the vocational abilities of the members should always be spear-heading Rotary’s aim of mitigating poverty and its associated challenges among the fellowmen. ~Manas

An Appeal

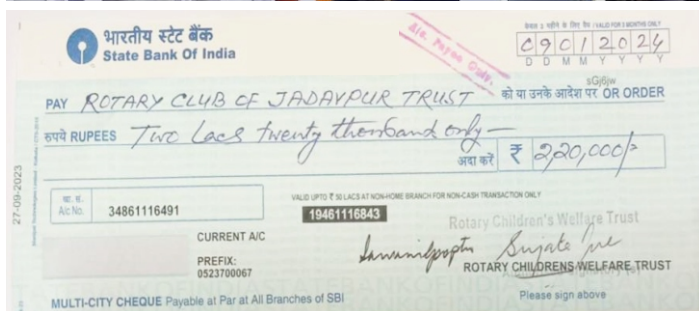

PP RTN DR. KUNAL ROY

Appeal for LBC at The District Conference

LIFE BEYOND CANCER annual fundraiser promotion started at Dist Conference.

The first promotion of the LIFE BEYOND CANCER annual fundraiser took place at Utkarsh, District Conference at the Hotel Taj Taal Kutir at Eco-Park, Kolkata on 7th January 24. Partha & Rituparna appealed to Rotarians & respective clubs to join us in this mission. We have touched the lives of more than 270 underprivileged cancer-affected children across eight associated hospitals & 90% of them are now survivors.

Our sincere thanks to Rtn Avijit Neogy of Rotary Club of Calcutta for his individual contribution to Life Beyond Cancer fund and for supporting the cause. He donated this amount for initiation of treatment. Rtn Neogy visited SSKM only one day, spent some quality time with the children & this was his response.

UTKARSH THE DISTRICT CONFERENCE

06.01.2024 - 07.01.2024

PP Rtn Dr. Kunal Ray

My take from Dist Conf on 6th Jan 2024

- (1) As usual PRIP Sekhar Mehta's talk was very inspiring dwarfing the other talks flanking his presentation.
- (2) Jaya Row's talk for 'Leading the Way' was quite impressive dwelling on how Indian epics inspired many renowned Westerners' thoughts and lives implying (to me) why don't we see the value?
- (3) We are used to hearing garden variety talks related to Rotary Foundation; really, to be frank. But today Debasish Mishra's talk on Joy of Giving was quite an eye-opener as to how his initial joy of giving had a cascade effect through starting an eye hospital and the joy multiplying a few folds with a ripple effect on others. I was moved.
- (4) Shiv Khera's talk (I heard him before) on 'Create Hope' was just outstanding. He not only highlighted the value of positive thinking, the way to achieve higher goals but also argued that if we truly follow Rotary then how it helps in character building. Incidentally, I see why he made the statement.

I wish more of my friends at RCCJ found it worthwhile to attend the Dist Conference.

Mera to paisa owsool.

Sarathi da, IPP Pausali and President Paromita were present. TEAM PANCHHI promised to participate in many more performances like this in future along with RCCJ. Thanks to the Management of ICH, specially Dr Arunalok Bhattacharya, and members of Cankids Oindrilla and Payel. Sharing the moments of joy.

TEAM PANCHHI and Rotary Club of Calcutta Jadavpur spent some quality time with the gorgeous kids of Cancer Department of Institute of Child Health, Park Circus. Teachers of Panchhi performed the Story Telling Session in front of the kids and their family with colourful props. It was astonishing to see the kids enjoying coloring session so intensely even if their tiny hands were paining hard due to the innumerable pricks of needle.
