- The President warmly welcomed AG Swapan Basu. AG then requested all members to upload the club's activities on Rotary Central of 'My Rotary'. Additionally, he urged every member to register on 'My Rotary'.
- President Elect briefed the members about the issues taken up and discussed in the training program of President Elect.

A report: Our RI District 3291 organized a Training Program for Presidents (PETS), Secretaries (SETS), and Treasurers (TETS) for the upcoming Rotary Year 2024-'25 on February 25 at ITC Royal Bengal. From RCSLDT, our President-Elect Rtn Tapas Kumar Bhattacharyya and Treasurer-Elect Rtn Soumen Bhamick attended the program. All sessions featured excellent speakers who enlightened the trainees with the philosophy of Rotary, emphasizing the service-oriented outlook of Rotary, goal setting, and the importance of increasing membership. The majority of lectures were encouraging, particularly the presentation by PDG Rajib Pokhrel from Kathmandu, Nepal, whose lecture focused on developing the habit of giving.

- Next date of the meeting has been fixed on 15th March 2024.

Project

Distribution of notebooks, pencils etc. at Purulia School on 11th Mar'24

A project was organized for the children of a school in a remote village in Purulia. Consequently, a trip was scheduled for March 11th and 12th, 2024. One of the most encouraging aspects was the spontaneous support from many members who generously donated towards the project, resulting in it being fully sponsored by the club's members. Notebooks, pens, pencils, erasers, rulers, chocolates, and cakes were distributed to approximately 105 children from the school. The President, along with club members and their families, actively participated in this memorable initiative. Additionally, the children performed a dance to showcase their talents.

In the evening, the President visited the Rotary Club of Purulia and exchanged flags with their counterpart. The President of RC Purulia also provided a tour of the Multi-Specialty hospital operated by their club.

Learning @myRotary

Steps to Learning @MyRotary website

1. Login to MyRotary: <https://my.rotary.org/en/>
2. Navigate below and find Learning Center. Click on the image

3. You will be directed to a website with hosts of training to choose

4. Click on any of the boxes and proceed to take the course. The courses are designed to be easily understandable and navigable, featuring videos and examples.
5. Upon completing each course, you will receive a well-designed certificate of completion from Rotary International.

My recommendation:

I would recommend to start with courses like **a) About Rotary** (especially for new members) and **b) Membership**
