Project Reports for the Period July & August 2023

Project : Eye Checkup and Doctors' Day Celebration

Date : 1st July 2023

Beneficiary : Arunima Hospice

Arunima Hospice is a Home which caters to children affected or infected with HIV/AIDS under a program called 'Snehakunj' child care where 56 less fortunate children are taken care of whom are thrown out of their home due to social stigma. Started as a Palliative care and children living with HIV/AIDS the concept of 'HOME' for these children grew up as they need food, shelter, treatment and care. RC of Calcutta Majestic is associated with them since its inception and our partnership is now almost 12 years old. Arunima is our Flagship Project and this year Majestic took the responsibility of these 56 kids with respect to their healthcare, food, education along with other necessities.

We started our year with Doctors' Day on 1st July at Arunima Hospice where eye check up was done for these 56 kids by Dr Raju Shrivastava. 20 spectacles were given to the children. Necessary medicine and protein supplements were distributed to the children of Arunima Hospice of their growth and betterment.

Project : Health checkup and Immunity Boosting

Date : 5th July 2023

Beneficiary : Arunima Hospice

Arunima Hospice is a Home which caters to children affected or infected with HIV/AIDS. Hence immunity deficiency is a major issue among the children. Every month a lumpsum amount is spend for the medicine for boosting the immunity. Majestic did a health checkup camp with the help of Mrs Rinku Banerji wife of Late Pratip Banerji and her team wherein out motto was to provide these children with Homeopathic immunity boosting medicines which are budget friendly at the same time effective on health. Introductory speech was given by our President Mrs. Emili Basu Roy. followed by Mrs. Rinku Banerji. A welcome song was sung by the children of Arunima Hospice. Dr. Anjan Chattopadhyay and Dr. Biplab Kumar Ray did the checkup of the children. 50 children are diagnosed and are given medicinal help. Homeopathic immunity boosting medicines are given to the children for a period of four months after which there would be a health checkup for next doses of medicines.

Project: Independence Celebration

Date: 15th Aug 2023

Beneficiary: Arsha Vidya Nidhi

Arsha Vidya Nidhi is our RCC. It is a school where under privileged children are given free of cost education so that they get admission in regular school. It is located at Justice Dwarakanath Road and school timing is from 11am to 1.30pm. Presently there are 50 students and 6 teachers along with one computer teacher and dance teacher. We celebrated Independence Day over there. Charter President Vinay Misra hoisted the flag along with some other members of the club. Cultural performances were done by the children.

Project: Independence Celebration

Date : 15th Aug 2023

Beneficiary: Arunima Hospice

Arunima Hospice is a Home which caters to children affected or infected with HIV/AIDS and Majestic is associated with Arunima for 12 long years. We celebrated Independence Day with children of the Hospice. District Governor Elect Dr Krishnendu Gupta along with his wife Dr. Simran Gupta visited the Hospice and hoisted flag.

Independence Day special performances were given by the children of Arunima Hospice which was thoroughly enjoyed by everybody. Majestic take care of these kids in terms of medicines, food, education and all other necessities throughout the year. Hence 30Kgs of pulses were given to them along with sweets and health drinks.

Project : Mega Health Checkup Camp

Date : 27th Aug 2023
