President's Desk

I extend my warmest greetings to each of you as we embrace the new theme, "Magic of Rotary." The past few months, from July to August 2024, have been a testament to the power of our collective efforts. We successfully executed impactful projects like the Doctor's Health Camp, Sabujer Abhijaan, Protyasha, and Swadhinatar 78. These initiatives have truly showcased the essence of Rotary in serving our community.

I also take this opportunity to warmly welcome our new members who have joined our Rotary family. Your presence adds new energy and ideas, and I look forward to working together to create even more magic that uplifts our club and the communities we serve. As we move forward, let us focus on increasing our membership, inviting like-minded individuals who share our passion for service. Together, we can achieve even greater heights.

Lastly, I want to express my heartfelt condolences on the passing of our Immediate Past President, Rtn. Kamal Kumar Sengupta (PHF). His dedication and leadership will be deeply missed. Let's continue to create magic through our work and make a lasting impact.

Secretary's Desk

Club activities of the Rotary Club of Ballygunge Uptown are held regularly every month. So far, we have completed Health Camps, Educational Projects and Environmental Programs. This September, we will be holding an Art Exhibition, to raise funds for the underprivileged, the mentally and physically challenged, and the weaker sections of society.

To further improve our Club activities, we need to focus on increasing our Club Membership, which will thus help us to hold better Projects and Programs in the future. This will ensure the general growth of the Club, and create more opportunities for us to help the society at large.
