Rotary International Presidential Announcement — 2025-26

Francesco Arezzo
President 2025-26
Rotary International

We are pleased to announce that Francesco Arezzo, a member of the Rotary Club of Ragusa, Italy, has been selected by the Board of Directors to serve as Rotary International President for 2025-26.

He will officially assume office on 1st July 2025.

This decision follows a special Board session held after the unexpected resignation of RI President-elect Mario César Martins de Camargo on 8th June 2025.

Guided by the RI Code and Policies, the Board selected Francesco Arezzo from a pool of candidates nominated by the Nominating Committee for President of Rotary International in August 2023.

The 2025-26 Presidential Theme will remain unchanged:

“Unite for Good” — a message encouraging all Rotary members to be a force for unity in a world increasingly divided by politics, geography, and ideology.

Through service projects, Rotary continues its mission of bringing together people of all races, religions, and professions, united in shared service and fellowship.

On the Occasion of Official Club Visit (OCV)

It is with immense pride, warmth, and gratitude that I welcome our esteemed District Governor Rtn. Dr. Ramendu Homchaudhuri and our gracious First Lady Rtn. Dr. Bandana Homchaudhuri for the Official Club Visit of Rotary Club of Ballygunge Uptown. Your presence truly inspires us and strengthens our resolve to serve with deeper commitment and compassion.

This OCV is especially meaningful for us as it marks the 10th OCV of our club—a decade of service, fellowship, and impactful Rotary work. For me personally, it is an honour to present our journey once again as I step into my second Presidential term, continuing from Rotary Year 2024–25 into 2025–26. As we stand almost halfway through the current year, I look back with both humility and pride at what our team has been able to accomplish together.

In this Rotary year so far, we have successfully completed 14 meaningful and heartfelt projects, each designed to bring positive transformation to the lives of the underprivileged. Our focus areas have remained strong and purposeful—Thalassemia, Polio awareness, Healthcare initiatives, and Education support. Every member's dedication has turned these goals into impactful realities.

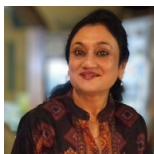

Among our upcoming initiatives, we are deeply committed to creating greater awareness about Thalassemia. In January, our club will conduct a Thalassemia Awareness Programme along with a Medical Camp, aiming to reach vulnerable communities and empower them with knowledge, screening, and support.

As we move ahead, our vision remains clear—to serve with sincerity, to uplift those in need, and to keep adding value to the Rotary movement. With the guidance of our District Governor and the enthusiastic support of all our members, I am confident that the second half of this Rotary year will be even more productive, enriching, and inspiring.

Thank you for your unwavering support, dedication, and fellowship. Together, let us continue to imagine, inspire, and impact.

Greetings to fellow Rotarians, From a fledgling club which is only ten years old, it has taken flight owing to the commitment, dedication and enthusiasm of its active members who have tried to connect with each other and with our communities to make the world a better place.

This year our club has completed many community projects, particularly related to health and education. Our first project of the year, held on 01 July 2025, was 'Thalassemia Awareness'. We also co-hosted a Blood Donation Camp at Rotary Sadan where one of our members, Rtn Rajat Mondal of our club donated blood. The club's special area of interest has been to reach out to specially abled children in terms of health and nutrition, and their mothers in spreading gynaecological awareness.

A small step in donating a sewing machine, stitching material like cloth, thread etc. to a physically challenged individual was indeed a big stride towards empowering him with self-reliance, dignity, and a sustainable livelihood. We continued our commitment to Ashabari (House of Hope) by helping the 150 inmates with rations, food, clothes and sewing machines. Children below the poverty line have also been in focus of our projects and we renewed our pledge to donate new clothes during Rath and Durga Pujas. It was indeed very heartening to see the smiles on the little faces.

The club continues to fulfil its commitment in spreading awareness on Breast Cancer and Polio vaccine.

Education of impoverished children of Sunderban has recently been taken up by the club. We presented them two computers as a beginning to empower them with the requisite knowledge. We are committed to follow up and provide more for them.

Looking forward to a fruitful Rotary year with the cooperation of all our members. We continue our commitment to create environments where peace and happiness can flourish in our communities.
