

Message from President

Greetings of the day!

We have completed first quarter of Rotary year and in these 3 months. we could do some important projects for the benefit of our poor and underprivileged brethren. I must be thankful to my board members and all other members of our club for their immense support. I hope our coming months to be great in terms of helping our society. I pray to God to give us strength so that we will serve our community around us.

Unfortunate demise of our Charter President has definitely left a void that is hard to fill, but we have to accept it and move forward. We are having very exciting and challenging plans for future activities. Together we hope to take Rotary to new heights and be the guiding light to all the underprivileged people .

CONDOLENCE MESSAGE
