DISTRICT GOVERNOR 2025-26

Viswayoge Saratsonge is a cultural and fellowship programme of Rotary Club Of Calcutta Harmony which is presented by Rotarians across Clubs from District 3291.

During Autumn, which is known as Sarat Kaal in Bengal, we welcome Uma or Ma Durga, the Mother Goddess to visit us on this planet, which, in common parlance, is known as her parents' home!

Since this is an annual festival for people in the Eastern and northern parts of our country, we come together in presenting this programme of invocation, where we, all together, offer salutations to Ma Durga!

This togetherness of Rotarians from Clubs across the District forges the bonds of friendship and camaraderie among themselves and strengthens inter-Club relationship and the season of Autumn or Sarat Kaal, when the Mother visits her parents' home, gives them this opportunity! Rotary is an international organisation transcending borders! Here, we get the opportunity to join together, members from various Rotary Clubs - Vishwayoge, in this season of Autumn - Sarat.

Hence, Viswayoge Saratsonge, where we join the world in the season of Autumn!

Message From PDG Ajay Agarwal

I send my congratulations and best wishes for the program Viswayoge Sharatsonge, a unique participation and collaboration of over 40 Rotary clubs brought on a cultural platform by Rotary Club of Calcutta Harmony.

I recall the first edition of this program which was held during my governorship in September 2019. It is indeed a very special memory, and this year too the occasion promises to bring harmony, cooperation, like mindedness, joy and happiness within our Rotary family in a very significant way.

Congratulations to all the participants and the organising committee, it is a magnificent way to observe and welcome the auspicious Puja season!

MESSAGE FROM DISTRICT GOVERNOR 24-25

02 October 2024

Dear President Rtn Banasri Poddar,
Hearty congratulations to you and the vibrant members of RC Calcutta Harmony for organising a cultural programme on "Agomoni" along with Rotarians from numerous Rotary Clubs of our RID 3291.

Today's participative programme will facilitate togetherness, bonding, camaraderie and inclusiveness to celebrate the return of Goddess Parvati to the home of her parents on the eve of the festival of "Durga Pujo".

The wonderful presence of Rotary International President Elect Mario Cesar Martins de Camargo along with Rotary International Director Anirudha Roychowdhury, Past Rotary International President Shekhar Mehta and a host of senior Rotary Leaders from our beloved District and beyond will definitely lend colour to the auspicious and festive occasion.

Simran joins me in wishing the programme a grand success.

My grateful thanks to all concerned for the efforts taken to organise the cultural programme.

Kind regards.

Yours-in-Rotary
