MESSAGE FROM INSTALLATION CHAIRMAN

Dear Rotarians,

I take pleasure to congratulate you on the occasion of the 57th installation celebration of Rotary Club of East Calcutta. Our club has a glorious past history of service for the mankind. As you are aware that we have stepped into the second century of Rotary Service and our club is contributing to reach the goals of rotary.

This year's theme is "The Magic of Rotary" which urges members to engage more with each other and use these connections to serve the world to achieve lasting changes by the magic of Rotary wheel.

This year our club has already done many remarkable activities like vocational classes, grant for underprivileged students, seminar on important public health issues and topics like Rabies, Cadaveric Organ Donation, Disaster Management, Blood donation camp, free health checkup and eye surgery camps, cloth and school bag distribution, Nabadisha for mother and child and many more.

I strongly believe together we will do more work to achieve the main motto of Rotary

"Service Above Self". Our club has a good number of young Rotarians who can take the club to the newer heights with the help and guidance of senior members.

Wishing you all the very best for your help and support for the club and Rotary.

Yours-in-Rotary

MESSAGE FROM OUTGOING PRESIDENT

Fellow Rotarians,

This was a special year for me as President of our great Club since I am the daughter of PP Rtn. D. C. Law who is one of most senior Rotarian of this club. It was my dream that I have seen from childhood.

This for me, has been a year full of happiness, meeting people and learning. I have been very fortunate to have received so much affection and amazing support from our rotary family.

I received guidance from my father, PP Rtn. Dr. Sumit Poddar, Rtn. Sarbajit Poddar, and also from several of the members from time to time. I have been very fortunate and blessed to receive the continuous support and guidance of our Board, Past Presidents and members.

My year started with blood donation camp at our club on 1st July 2023. During the year, we have done various service projects such as health checkup camp at different locations for the benefits of the Society. Our Vocational Training Centre in partnership with Usha Company made exceptional efforts this year by trained up several underprivileged girl students for their self-employment. Besides service, our Club is also known for its fun activities. Fellowship dinners were arranged in several cultural programmes including Mamata Law Night organised recently.

Our Club Assemblies were lively and interactive, and all our projects were well reported, well accepted and much appreciated.

I thank you all for your support over the past year and for giving me this once in life-time opportunity to lead our very distinguished Club. I thoroughly enjoyed my time and tenure as our Club President. My support and efforts for our Club will always be there.

I also thank my husband Rtn Amitava Maiti for his constant support and encouragement throughout the year in different projects specially health camp at Rajpur and Midnapore.

I wish incoming President Rtn. Dr. Roona Nandy and her new team for continued success.

Dr. Jayasree Maiti

President 2023-24

Rotary Club of East Calcutta

MESSAGE FROM INCOMING PRESIDENT

Dear Fellow Rotarians,

It truly is an honor and privilege of lifetime to have been elected to serve as the President of Rotary Club of East Calcutta for 2024-2025. I would like to thank each of the club members for your confidence and support. I look forward to working with all of you as we embark on a new Rotary year to take forward the club's glorious tradition and service to the underprivileged sects of the society.

On behalf of the membership, club officers, board of directors and our foundation trustees, I would like to congratulate our 2023-2024 President Dr. Jayasree Maiti on a successful Rotary year. Her positive energy and leadership skills have kept our club active and moving forward to "Create Hope in the World", and all the possibilities available. Thank you, Jayasree, you have grown our membership and increased engagement and we look forward to your continued leadership in our club.

As we begin the next Rotary year, International President Stephanie A. Urchick announced the theme, "The Magic of Rotary". There is magic all around us, it just takes the right perception and eyes to see the beauty and magic that exists. You have to believe you will find magic. After all, what you believe, becomes. If you believe there is magic in the world then you will find it everywhere.

I believe this is only fitting, as the world needs more hope, more peace, and more like-minded Rotarians working to drive positive change in the world. As an organization that places "Service Above Self", we need to be the change we wish to see in the world by being a vessel for "Healing in a Divided World" and by creating a Sustainable development – the development that meets the needs of the present without compromising the ability of future generations to meet their own needs.

This year, I challenge each member to engage in a "Rotary Revival" by focusing on:

- Maintaining a strong, active member base
- Sharing the Rotary opportunity with others
- Continuing to offer quality programming and meetings
- Continue to increase our club's diversity, equity and inclusion
- Creating a strong public image of the Rotary Club of East Calcutta in our community, and beyond
- Engaging members by being People of Action and Involvement
- Fostering friendship and fellowship as we engage in our communities and cluster clubs

As President, I am proud to be a part of a club that exemplifies "Service Above Self". Our committees and club involvement have never been stronger. This past year our committees were committed to helping those in need in our community through various actions of involvement. Rotarians volunteered at the Medical Camps, Blood Donation Camps and Plantation Drives. These are just a few ways our club excelled, and I look forward to the continued engagement of all Rotary members in making our club the premier service and networking organization in the city of Calcutta.

Together we will be the example of how to change lives, focusing on the following Areas of Rotary Service:

- Peace and Conflict Prevention / Resolution
- Disease Prevention and Treatment
- Water Conservation
- Sanitation and Hygiene
- Maternal and Child Health
- Basic Education and Literacy
- Economic and Community Development
- Preserving Environment
- Youth Service

Together we can and we will create Magic in the World and make it a better place for the future generations. The best way to predict the future is to create it. Individual actions matter too. Each one of us can make a difference by practicing responsible consumption, recycling, and embracing a more environmentally conscious lifestyle. By working collectively and making conscientious choices not only for us but for the society in general. As always let us extend a helping hand to all those who are less fortunate and provide them the dignity that they deserve.

Long Live Rotary Club of East Calcutta!

Yours in Rotary Service,

Rtn. Dr. Roona Nandy, President 2024-2025, Rotary Club of East Calcutta

MESSAGE FROM INCOMING SECRETARY

Dear Rotarian Friends,

I am honoured to express my heartfelt gratitude for your trust in nominating me as Secretary of the esteemed Rotary Club of East Calcutta. Since joining in 2021, I've been deeply impressed by the club's warm and energetic spirit. The invaluable guidance of our senior members and the enthusiasm of our younger Rotarians is a powerful combination that fuels our service endeavours.

Looking ahead, I'm excited to continue building upon our foundation of success. Our ongoing sustainable projects, like *Nabadisha*-mother and child healthcare, vocational training in sewing and computer literacy, have demonstrably empowered individuals. These initiatives will remain a cornerstone of our service.

However, we must also strive to address evolving community needs. Therefore, I propose expanding our focus to include environment-care, geriatric well-being, and cancer awareness & rehabilitation. By tackling these crucial areas, we can make a significant impact on the lives of those who need it most.

To achieve these goals, I encourage open communication and collaboration. Let's harness the collective wisdom and energy of all our members. Together, we can make this coming year a period of amplified service and impactful change for our community.

Thank you once again for your trust. I eagerly look forward to serving alongside all of you.

Rtn. Dr. Arnab Ray
