THE FOUR-WAY TEST
Of the things we think, say, or do

1. Is it **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

Rtn. Francesco Arezzo, RC Ragusa, Italy has been selected by the nominating committee for president of RI in Aug'23 following the unexpected resignation of RI president-elect Mario Cesar Martins de Camargo on 8th June'25. RI President / 2025-26. The Board conducted a special session guided by the RI code and policies and selected the new president from a pool of candidates who were considered by the Nominating Committee. The 2025-26 presidential message announced at the RI Assembly in Feb'25 will remain **Unite for Good**, which calls on Rotary members to be a force for unity in a world increasingly divided for politics, geography and ideology.

Rtn. Arezzo is an orthodontist in private practice. He is

active internationally as a member of the Italian, European and American orthodontics association. He is a Knight of honor and Devotion in Obedience within the Sovereign Order of Malta.

President Francesco served Rotary International Board as Director and TRF as Trustee in past. Arezzo is a Benefactor of the Rotary foundation. He is married to Anna Maria Criscione, an entrepreneur in the tourism field. They have two children.

Our Chief Guest of the evening Rtn. Ramendu Homchaudhuri, OUR Beloved DG /2025-26 / RID 3291 & his message

Dear Fellow Rotarians of RC Howrah,

Friends, a new year means new beginnings and new opportunities. As we step into this new Rotary year, we embark on a journey filled with promise and potential. This year, we are proud to have at the helm— Rtn. Dr. Francesco Arezzo, RI President, 2025-26. His leadership inspires us to strive for excellence and make meaningful contributions to our communities.

Unite for Good – at present situation, Prioritizing Peace, fundamental to all our efforts. By fostering understanding, tolerance, and cooperation within our communities, we can build a foundation for lasting peace. Let's engage in projects that promote conflict resolution and support peaceful coexistence.

Ensuring Continuity: Continuity in our actions ensures that our projects and initiatives have lasting impact. By building on past successes and learning from challenges, we can create programs that endure and continue to benefit communities for years to come.

Friends, we all should be proud of the fact that our collective efforts have led us to fight a disease that had been crippling the world for hundreds of years. Friends, you all know what I am talking about: polio. Today, we have only very few cases around the world. But this does not mean we have completely eradicated it. We should continue to spread awareness about the disease and the vaccine so that we can sustain our achievement and keep the disease out of the world.

Friends, I want to draw your attention to another matter that needs our grave attention. Prevention of Preventable Diseases - One of our primary missions is to combat preventable diseases, such as thalassemia and cervical cancer (Ca cx). These diseases can have devastating effects on individuals and families, yet they are 100% preventable through education, vaccination, and early detection. By working together, we can raise awareness, support screening programs, and provide necessary medical interventions. Our efforts in this field are saving lives and enhancing the quality of life for countless individuals.

Environmental sustainability is another crucial focus for Rotary. The health of our planet directly impacts the well-being of its inhabitants. We must take active steps to protect our environment through tree planting, waste management initiatives, and the promotion of renewable energy sources. By fostering a sense of responsibility towards our environment, we ensure a better future for generations to come.

As we welcome the new Rotary year, I encourage each of you to embrace Rotary's causes with passion and dedication. This fresh start presents us with new opportunities to innovate, collaborate, and make a significant impact. Let's harness the power of Rotary to create a healthier, more sustainable world. Together, we can overcome challenges, uplift communities, and leave a lasting legacy.

I'M HELPING ERADICATE POLIO

To Night's Guest of Honour

An engineer by profession, Sri Tapas Bhattacharya joined the Rotary movement in 1994. With committed dedication Tapas served the community in various capacities in all the areas of services as per Rotary International guidelines. Hard working, thorough gentleman and soft spoken, Tapas loved working at the grass root level both as a worker as well as a motivating leader. He firmly believes in Rotary ethics and code of conduct. Widely popular as RCC man, he has successfully led substantial numbers of community projects all over the district 3291 throughout his long 30 years of Rotary life as frontline soldier as well as a commander. He realised that RCC is an effective Channel of serving the community, specially the people at the bottom of the pyramid. Simultaneously, he has been actively involved both in district 3291 and other districts with Rotary Leadership Institute which is the best well built learning mechanism of Rotary.

Tapas has a very rich art & cultural background specially in the areas of theatre, drama and music. He was an active member of IPCA (Indian Progressive Cultural Association) and other socio-cultural organization and engaged in successfully organizing seminars, symposiums, Theatres, Dance, Drama, Recitation competition etc.

Rtn. Tapas Bhattacharjee
DGE / RID 3291 / 2025-26
RC Dumdum

He himself was also a performer in these genres. He was a general secretary of Youth Guild, Gorky Sadan, Kolkata. He was fortunate to come into contact with well known personalities like Kumar Roy, Maya Sen, Kaifi Azmi, Salil Chowdhury, Mrinal Sen, Anil Chatterjee etc. to name a few during his cultural journey.

As a part of multi-faceted personality, Tapas was also a football player at District level. He is a member of East Bengal Club. He was actively involved in Rotary Foundation collection in 2006-07 as Assistant District Secretary and 2009-10 as Annual Giving Chair which was the highest collection in district 3291. He is experienced in Rotary Foundation Grants and giving. Transformational leadership, dedication and freedom for advancing the progress of services, participative management as well as trusted friendship are some of his principles and style of functioning.

His wife, Sushmita is a post graduate and graded singer of AIR and Door-darshan, who provides full support to Tapas in all his ventures, includes community services. He is blessed with one son and one daughter. Soumik, his son, is an MBA working with Tata Steel. His daughter Archita, an engineer is engaged with Capgemini.
