## Letter from Rtn.Dipa Roy , Award Committee Member, to all presidents

Dear Presidents,

This is in reference to the updation of all your club projects in Rotary zones 4,5,6&7 for Award purpose. We have noticed as below after studying the data as on 17th January, 2026.

1. Only 96 clubs have started updates & rest are still holding Zero scores.
2. Category wise lists have been published in our District Directory page no. 47-52. Despite detailed information provided, some clubs are using "OTHERS" as a category which is a wrong updation, may lead to wrong assessment during the Award Ceremony. Please rectify. You still have time. Example: Thalassemia awareness has specific category with 200 scores but some clubs have chosen "others" option which has been given for the projects which are not enlisted like an example " Teachers day celebration.
3. Hope all of you will take corrective measures at the earliest & the clubs who have not started updations, will do the needful as soon as possible.
