Rotary International statement on the conflict in Israel and Gaza

Recognizing there has been protracted suffering in the long history of conflict between Israel and Palestinians in Gaza, Rotary International urges all parties to seek avenues to peace.

At the same time, we unequivocally condemn the horrific attack by Hamas on Israeli civilians and are appalled at the number of people who have been injured, killed, and kidnapped.

As the war between Israel and Hamas intensifies, we remain deeply concerned about the potential for further escalation as well as the loss of life and the humanitarian crisis that is occurring in Gaza. We denounce the violence against innocent civilians and support upholding international humanitarian law.

Peacebuilding is both a cornerstone of Rotary's mission and one of our areas of focus. At our core, Rotary is a common ground for people to come together – across nationalities and religions, cultures and histories – and connect around their shared belief in a better tomorrow. That connection is what humanizes us in times of conflict and builds a foundation for lasting peace.

Rotary remains committed to working with our members, partners, and communities to find long-term, sustainable solutions that support peace and development in the region and elsewhere.
