5th November is World Interact Day

Interact is Rotary International's service club for young people aged 12 to 18, offering them a unique platform to make a positive difference in their communities and the world. Sponsored by Rotary clubs (and sometimes co-sponsored by Rotaract clubs), Interact clubs receive mentorship and guidance but operate independently, with self-governing and self-supporting structures.

Membership in Interact is diverse and flexible. Clubs can be single-gender or co-ed, large or small, and draw members from one or multiple schools within a community, including home-schooled students. This inclusivity allows Interact clubs to adapt to their communities and be welcoming spaces for all young people.

Each year, Interact clubs complete at least two service projects, one of which focuses on fostering international understanding and goodwill. Through these projects, Interactors form meaningful connections with both local and international clubs, while learning essential values and skills, including:

Building leadership skills and upholding personal integrity
 Demonstrating kindness, helpfulness, and respect for others
 Recognising the importance of personal responsibility

and hard work
 Promoting global understanding and goodwill

As one of Rotary's most impactful and fastest-growing programs, Interact has flourished globally, with over 14,900 clubs in 145 countries and regions. Today, nearly 343,000 young people are actively involved in Interact, embodying the spirit of "International Action" and transforming their communities through service.

NOVEMBER IS

ROTARY FOUNDATION MONTH

"You must work - we must all work to make the world worthy of its children."

Host at Puja Parikrama with Senior citizens

On Saptami, Rotary International District 3291, alongside several Rotary clubs, including Rotary Club of Behala, hosted a special "Puja Parikrama" for senior citizens across Kolkata. In collaboration with Kolkata Police's PRANAM initiative and Jagat Mukherjee Park Durgotsav, the event provided elderly residents with a memorable Durga Puja experience through an organised pandal-hopping tour.

The seniors enjoyed visiting several popular pandals, each showcasing vibrant decor and grand idols, rekindling cherished memories of past celebrations. Rotary volunteers and PRANAM members ensured a smooth, comfortable experience, offering personal assistance throughout the journey.

A highlight of the day was a traditional Bengali lunch, where seniors relaxed, shared stories, and bonded over a meal that celebrated Kolkata's culinary heritage.

The Puja Parikrama, a testament to Rotary's dedication to community service, brought joy and connection to Kolkata's senior citizens, fostering a spirit of inclusivity during one of the city's most celebrated festivals.
