Eye Camp Report – Milan Mela

Rotary Club of Behala in collaboration with Eye Care and Research Centre successfully organized a free eye camp at Milan Mela at Park Circus Maidan 1st week of January 2025. The event aimed to provide essential eye care services to the underprivileged sections of the community.

A team of skilled ophthalmologists and volunteers conducted vision screenings, eye check-ups, and distributed free medicines to those in need. Over 750 individuals benefited from the initiative, and cases requiring advanced care were referred to specialized hospitals for further treatment. The eye camp was a step towards fulfilling Rotary's commitment to promoting better health and supporting community welfare. Rotary Club of Behala extends its heartfelt gratitude to the medical team, volunteers, and all participants who contributed to making this event a success.
