RI NEWS

THE ROTARY INTERNATIONAL CHRISTMAS TREE

How awesome is the Rotary International Christmas Tree designed by Rotary District 7570? The tree represents Rotary's worldwide membership and Rotary's mission to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders. The flags represent various countries of our members, the Rotary wheel, created by a local artisan using a 3-D printer, is the international symbol of Rotary, and the Christmas ornaments represent different cultures throughout the world. The gifts underneath the Christmas tree each demonstrate one of Rotary's six areas of focus: peace and conflict prevention/resolution, disease prevention and treatment, water and sanitation, maternal and child health, basic education and literacy, and economic and community development.
