STEPHANIE URCHICK ROTARY INTERNATIONAL PRESIDENT 2024-25

Rotarians create that magic with every project completed, every dollar donated, and every new member of Rotary, Rotary International President-2024-2025 Stephanie Urchick said. The theme was influenced by an experience in the Dominican Republic years ago when Urchick was helping to install water filters. There were two young boys who watched as dirty water entered a filter in one end and emerged clean out the other end.

“I’ll never forget the first time we stopped the water flow. One of the boys grabbed my sleeve and said, “Show me the magic again,” she said. “Obviously, the water filter wasn’t magic. We worked hard to transport those filters, install them, and work with recipients in the area to maintain them. But those boys knew that easy access to clean water would change their lives. Knowing that I played a small part in that certainly changed my life.” The Magic of Rotary can encourage whatever drives your Rotary club. You can grow The Magic of Rotary if you’re adding new members to our family. You can unlock The Magic of Rotary if you’re unlocking the power of women and girls. You can advance The Magic of Rotary if you’re fundraising to help change the world.

“When our year as Rotary president and district governors has come to an end, it’s up to us to make sure there’s a whole line of people behind us, ready to keep the magic going,” she said.

Peacebuilding will be one of her top priorities during her presidential tenure. Rotary members, Rotary Peace Fellows, Positive Peace Activators, and others will be invited to attend a Rotary presidential peace conference planned for February 2025 in Istanbul, Turkey.

The theme of the conference on peace will be Healing in a Divided World, focusing on Rotary’s peace efforts and providing opportunities to learn together.

“Members who want to spread hope for peace in their community can plant a Peace Pole in the local park, playground, or any community space,” she said. “One of my favourite tools for peacebuilding is The Four-Way Test. We would live in a better world if every Rotary member truly lived The Four-Way Test instead of simply reciting it.”
