National Anthem: The National Anthem was rendered by all.

Confirmation of the previous minutes: The 2136th Continuous and 14th Regular Meeting minutes for the year 2023-2024 were proposed and seconded by Rtn. Dr. Surinder Kapoor and Rtn. Chetna Khanna respectively.

President Ankush R. Khanna welcomed the members and guests.

Kolkata Kettle: Acknowledgment was duly extended to the Kolkata Kettle Convenor, Rtn. Rashmi Chaudhary, and her proficient team comprising Rtns. Preeti Agarwal, Ruchira Bhuwalka, and Samir Prasad for their commendable work in elevating the stature of The Brand **Kolkata Kettle** through strategic planning and fostering goodwill. Rtn. Rashmi Chaudhary eloquently talked about the concerted efforts invested by each member of the team, their unwavering dedication, and relentless efforts in ensuring the success of Kolkata Kettle. The President, in recognition of their exemplary contributions, felicitated the entire team, comprising Rashmi Chaudhary, Preeti Agarwal, Ruchira Bhuwalka, Samir Prasad, Ravi Dhawan, Sonali Gupta, and Shalini Agarwal, for their invaluable efforts.

Miyawaki Afforestation: The President provided an update on our second Miyawaki plantation initiative, confirming the demarcation and preliminary survey of the designated area by himself, Rtns. Chetna Khanna, and Preeti Agarwal. Progress on the initial afforestation project was discussed, emphasizing ongoing efforts for its completion. Rtn. Rakesh Sahni raised concerns about the location's suitability and the status of signage on main roads. Rtn. Preeti Agarwal mentioned a 5% non-survival rate, while Hardeep Singh stressed the importance of thorough follow-ups and sustainability measures. SOPs and sustainability reports will be implemented, with quarterly project reports to be provided.

Proposed Prostate Camp in Hingulgunj: President Khanna announced that our annual medical camp in Hingulgunj is scheduled for February 18th. Additionally, an outbound program in Taki on the 17th is planned, and he urged all members to attend the camp. Rtn. Dr. Kalyan Sarkar, who leads our urology camp, briefed that this year's camp will feature an oncologist conducting an awareness camp and offering consultations onsite. Dr. Reddy has generously agreed to support our project by funding the requisites for the camp.

Eye Camp At RCC: The floor was informed that the annual Eye Camp at our RCC was scheduled for the 4th of February. He once again requested that the members be present in good numbers.

Project Insaniyaat: The President briefed the floor on a case involving Sayanjit Pradhan, recommended by Anne Nupur Prasad injured in a bike accident, with severe injuries. The file has been forwarded to Dr. Kalyan Sarkar for review, and a contribution of Rs.70-80 thousand has been proposed from our end. Dr. Kalyan Sarkar suggested determining the extent of assistance based on available funds as these cases tend to be long and expensive. Rtn. Rakesh Sahni strongly raised caution, emphasizing that the trust has established guidelines as an organization not to address individual cases and to avoid setting precedent. Rtn Rakesh emphasized that the trust with its limited resources should focus on sustained causes for a larger impact. Rtn. Hardeep Singh too advocated supporting causes rather than individuals. Rtn. Rakesh also emphasized that the board had approved in principle donation towards pediatric cancer patients in an approved MOU with Tata Medical Centre and individual cases were not approved. Ankush noted that decisions regarding adolescent cancers were previously made and minuted. The secretary was tasked with sharing the board's mandate and minutes.
