The theme for Rotary in February is "Peace and Conflict Prevention/Resolution."

" This month focuses on Rotary's commitment to promoting peace and resolving conflicts through community-building efforts and service initiatives. Rotary clubs worldwide emphasize the importance of understanding, dialogue, and collaboration in resolving disputes and fostering peaceful environments. By supporting peace-building programs, education, and conflict resolution, Rotary works to create lasting change in communities, encourage global understanding, and reduce violence and inequality. This theme also ties into Rotary's broader efforts in advancing humanitarian work, such as supporting education, health, and sustainable development, which are all critical for creating a more peaceful world.
