Activity Report

Happy to announce... SUBHRANEEL HALDER, A boy with mild ASD Syndrome came to us two years back. Now he is 5yrs old. When he came to us that time he can't talk, and facing more challenges in his daily life. With extensive Lifelihood skills, School readiness training, Occupational Therapy and Special Education last year he got chance an Inclusive School. Now he can communicate so well. His education part also improved impressively. Earlier he has chewing problem, now gradually he is overcoming it. Proud moment for us, he stood 1st rank in his school and promoted to new class. He got 1st prize from his school. Proud moment for us indeed. Small, small steps helps them to grow from the bud to flower.
