Francesco Arezzo President, Rotary International, 2025-26 With a heavy heart, I accepted President-elect (RI President Elect 2026-2027) **SangKoo Yun's** of Rotary Club of Sae Hanyang, Seoul, Korea, resignation today on behalf of the Rotary International Board. Please join me in wishing him a swift and full recovery following his pancreatic cancer treatment.

Nigeria's Yinka Babalola Emerges As Rotary International President-elect Rotary International has announced Nigerian Rotarian Yinka Babalola as its **President-elect for the 2026/2027** Rotary year. Babalola's emergence marks a historic milestone, making him only the second African – and the second Nigerian – to lead the global humanitarian organisation. The first was Jonathan Babatunde Majiyagbe, who served from 2003 to 2004. A member of the Rotary Club of Trans Amadi, Nigeria, Olayinka Hakeem Babalola was selected by the Rotary International Board of Directors following the resignation of SangKoo Yun, who stepped down to focus on recovery after cancer treatment. Babalola will formally assume office on 1 July 2026. A statement by bim Semenitari Rotary Public Image Coordinator, Africa Zone 22, Region 27 indicates that Babalola joined Rotary in 1994, six years after starting out as a Rotaractor in 1988. His leadership journey has seen him serve as District Governor (2011/12), Vice President of Rotary International.

On the 8th of August, volunteers from the Interact Club of Calcutta Visionaries recently visited Ashari, an incredible animal welfare centre and hospital which is home to almost 600 rescued stray dogs — many paralyzed or injured in accidents — along with cows, ducks, and even eagles saved from road accidents. We spent our time there feeding them biscuits and treats and caring for them, and it was heartwarming to see how much love and safety this shelter provides them.

On August 11th, volunteers from ICCV visited Help Us Help Them – a School on Wheels – for a public speaking drive. The session featured interactive activities like "Continue the Story", encouraging creativity and confidence. The children also spoke about their idols — Messi, Ronaldo, Virat Kohli, and more — sharing who inspires them and why. It was a rewarding experience, with thoughtful conversations, lots of enthusiasm, and plenty of learning on both sides.

On 28th of August, 2025 a group of volunteers from ICCV visited Ek prayas educational society to conduct an art and craft drive. They distributed blank envelopes to the children, which they joyfully decorated using colors, stickers, and their imagination. Their faces lit up as they brought their ideas to life on paper. Beyond the art, the activity sparked smiles, laughter, and meaningful interaction between the volunteers and the kids.

On 30th of August, 2025, a group of ICCV volunteers visited Khelaghar Boys School to conduct an art and craft drive. For the first activity they distributed outlines of Maa Durga to the children, who enthusiastically painted them using acrylic colors and earbuds as brushes. Along with this, the children created bookmarks and were later gifted storybooks to encourage their reading habits. Each child also spoke a few words about the drawing they had made on their bookmark and shared why they had chosen that particular design. They were amazing in creativity and their confidence and joy was truly inspiring. Overall the drive was a huge success!!
