Tata Medical Centre**

Dear Members of the Rotary Club of Visionaries,

Greetings from Tata Medical Center!

On behalf of all patients at Premashraya, we would like to extend our deepest gratitude for organizing the spectacular Christmas Carnival at Premashraya yesterday on 22nd Dec 2025.

Your efforts transformed our "home away from home" into a breath-taking fantasy world.....from the festive red and white balloon decorations to the beautiful photo corner where families captured precious, framed memories, every detail brought immense joy to our patients.

A special thank you to "Sanvi" and Sangeeta; their infectious energy brought everyone to their feet. Seeing our children, adult patients, and caregivers—whether dancing freely or participating from their chairs & wheelchairs—filled the auditorium with a spirit of hope and celebration. We also sincerely appreciate the generosity of the Rotarians at the gift counter, they were like live Santas.

The summer quilts, drawing kits, Horlicks and food packets were received with such bright smiles and happiness. The outdoor festivities, including the toy train, live characters, and games organized by the Interact Clubs, provided a much-needed escape for the 190 patient families who joined us.

Thank you for your tireless contribution and for making this Christmas truly memorable for our brave patients and their loved ones. Some magical moments are captured here.

On 8th December 2025, Interact Clube Of Calcutta Visionaries (ICCV) successfully conducted a Treasure Hunt Drive at Hatgachia, creating a fun-filled and engaging experience for the children. During the drive, they interacted with the children and explained the rules and spirit of the Treasure Hunt, encouraging teamwork, problem-solving, and curiosity. The children enthusiastically participated in the activity, solving clues and working together with great excitement and energy. Each task brought smiles, laughter, and a sense of achievement as they moved closer to the final treasure.

We are pleased to share that our Free Weekly Medical Camp at RCC Sukantapally United Samity, Subhasgram, Baruipur, West Bengal, has been actively serving the community.
