Dear Rotarians,

It is with great pride and heartfelt warmth that I extend my congratulations to the incoming President, Secretary, and the newly installed team of Rotary Club of Jodhpur Gardens Calcutta.

As each new team takes charge, it carries forward the legacy of leadership, fellowship, and impactful service. I urge you to dream boldly, act compassionately, and lead inclusively—ensuring that your club becomes a lighthouse of hope and change in your community.

Let us embrace innovation while upholding Rotary's timeless values. Work hand-in-hand with your members, reach out to the youth, collaborate with partners, and most importantly—listen to your community. The world needs Rotary now more than ever.

Wishing you a successful and meaningful Rotary year ahead.

Message from Club President Rtn Jayanta Bose

At the very beginning myself on behalf of all the members of our club Welcome our beloved District Governor Dr. Ramendu Homchaudhuri, along with other distinguished District Officials.

I am delighted to accept the role as President of this great volunteer organization. Thank you for the opportunity to serve.

I'm grateful to be a member of this club, and to be able to feel the warmth and compassion that we have for each other. We are a family with diverse backgrounds and interests that come together to make good things happen. There is a tremendous feeling about being part of something that is bigger than yourself, and that connection you feel when helping someone, or perhaps being the recipient of someone else's help.

Jayanta Bose
President 2025-2026
