President's Message

At the very beginning myself on behalf of all the members of our club Welcome our beloved District Governor AKS Rtn. Dr. Krishnendu Gupta, along with other distinguished District Officials.

I am delighted to accept the role as President of this great volunteer organization. Thank you for the opportunity to serve.

We are a family with diverse backgrounds and interests that come together to make good things happen.

There is a tremendous feeling about being part of something that is bigger than yourself, and that connection you feel when helping some one, or perhaps being the recipient of someone else's help.
