INSTALLATION SERIES.

CELEBRATING BROTHERHOOD

Our members along with our President, celebrated Rakhi Bandhan. Members tied Rakhi as a token of brother-hood on the auspicious occasion of Rakhi Bandhan. In the midst of the Greenery and in that beautiful morning, Rakhi. Utsav reached a different dimension, even in this situation of pandemic.

FROM THE PRESIDENTS' DESK:-

Rotary Opens endless opportunities to serve Community and combat the burning issues of hunger, illiteracy, polio, child- Health, Women-Empowerment, and many such which is crippling our society from proliferating its branches. I consider myself blessed to have got this unique opportunity to serve the suffering multitude in several ways and at the same time enjoy Rotary with my fellow members.

We tried to plant as many as 120 trees to assert the new focus on "Supporting The Environment". As we planted we tried to uplift our public Image by putting our name of RC Tollygunge in the Banner. This in fact made the experience so very rewarding and fun, that service followed automatically. Finally, at the end of the day we offered service which was much much above self.

Rtn. Indrani Majumder.
President 2020-2021.

*yatkṛitāṃ yatkarīṣhyāmi tatsarvaṃ na
mayā kṛitam
tvayā kṛitāṃ tu phalabhuk tvameva
madhusūdana [v41]*

“Whatever I have achieved and whatever I wish to achieve, I am not the doer of these. O Madhusudan, you are the real doer, and you alone are the enjoyer of their results.”

Rtn. Sudip Mukherjee.
District Governor 2020-2021.

COMIENZO:

Our 43rd Installation Ceremony is going to be held today, the 25th of August, 2020. It's a matter of immense honour for the club to welcome District Governor (2020-2021) Rtn. Sudip Mukherjee, to grace the occasion as the Guest-in- Chief. Our Guests of Honours are DGE Rtn. Prabir Chatterjee and DGN, Rtn.Ajay Kumar Law with whose presence the congregation will reach yet another dimension.

Tree plantation at Rabindra Sarovar :

On 3rd. August 2020, 30 Neem trees were planted at Rabindra sarovar and its adjoining Areas. We tried to address the new area of focus "Supporting The Environment". Government of West-Bengal gave us 50 Neem trees and Minister-in-charge of Municipal Affairs and Urban Development Government Of West-Bengal allowed us to plant 30 Neem trees in the Lake

Members like P.P. Rtn. Amit Mukherjee, Chairman Literacy. Rtn. Bhagwati Mitra, Secretary, Rtn.Gouri Shankar Das and others planted trees with Great Enthusiasm. Saving the Environment is the "Need of the Hour". We were joined by our Active Rotaract club whose members like P.P. Rtn. Arko.Kr. Nag. Rtn.Souvick Naiya etc. also participated in the plantation programme.

FROM THE EDITOR'S PEN: -

I feel immense pleasure and gratification in introducing the Installation Series for the Rotary year- 2020-2021 to my erudite readers. Although the fear of Pandemic is looming large upon this whole world, we Rotarians are on the move. In fact, our technical know-how clubbed together with our very enterprising District Governor of 3291, Mr. Sudip Mukherjee, we are on the move even more effectively. May that be Disaster Management, or supporting the Environment or Club Membership we are steadily moving forward with giant steps. With this yet another feather in the cap of DG is 800 women Rotarians in this district which does speak of strong movement ahead in the field of woman Empowerment. Let's serve the society. Let's have a brilliant year ahead.

Jennifer E. Jones, a member of the Rotary Club of Windsor-Roseland, Ontario, Canada, has been nominated to become Rotary International's president for 2022-23, a selection that will make her the first woman to hold that office in the organization's 115-year history. A current Rotary Foundation trustee, Jones has been a member since 1997 and has served Rotary as vice president, director, training leader, committee chair, moderator, and district governor.

From the Secretary's Desk: -

It gives me immense happiness to be a part of this prestigious club. In this pandemic situation Rotary is still on the move accepting the New Normal and modifying its work procedure. Even through webinars we are reaching to people, and trying to work for the masses.

Let's Plant Let's Live: - Phase IV.

At Maheshpur, 24 Parganas South, our 4th phase of Tree plantation programme went off with a flying start. At Maheshpur Jasoda Vidyapeeth at Basanti, 24 Pgs (South), we planted 15 Trees in the outskirts of the playground of the school. Many Members took part in this programme. It really shows that Rotary is really is on the move for saving our Environment

A Day well- spent (We Care) :-

We visited Maheshpur Rakhal Chandra Sebashram to share few hours with the children all of whom were orphans. In this pandemic situation, where the lock-down is being strictly maintained, the Ashramites were leading a life of complete isolation, bereft of any help from any quarters. They were so joyous to see some people have come to meet them.

This tribal woman has brought up 5 children of 4 or 5 days or just a week abandoned by their mother by showering her own motherly love and affection. One of them just passed out from school. In return She looked for nothing. She has been serving this ashram for last 30 years. RC. Tollygunge salutes this Great soul for her relentless service to our social cause.

Let's Plant Let's Live - Phase V :-

At Behala Shakuntala park lake, our 5th phase of Tree plantation programme went off with a good start. Our initiative to "Support the Environment", we planted 15 new trees received from Government of West Bengal.

Our Homage :-

We pay our due tribute to Late Rtn. Tarapada Chakraborty who was the Charter President of Rotary Club of Tollygunge. A man with a big heart, who always worked to address the various issues that were troubling for the society. With this noble intention he wanted to bring together like-minded people who will work for the society and at the same time will enjoy fellowship.
