

Tarumala on 27th July, 2025 & Sapling Distribution on 19th August, 2025

Today, under the initiative of the Rotary Club of Calcutta, a sapling distribution program was held at Rotary Sadan. Our very own Rtn. Amartya da played a very meaningful role in it on behalf of our club. Following his advice, me and your Secretary jointly submitted a request to the Forest Department. As a result, we received : 30 fruit-bearing saplings; 40

Flowering saplings; and 30 non-flowering saplings. Our RCC partner, Dishari Sangha, collected all the saplings for plantation. As part of our Environment Project, we will plant these saplings and ensure proper tracking and care.

We were also honored with a Certificate of Appreciation for our concern and commitment toward the physically challenged, a recognition that truly touched our hearts. It was an honor to see PDG Pinaki Da presenting awards, the elegant presence of Sudipto Da, with Abhijit Da traveling all the way from Diamond Harbour, and Badsha Da & Subarna joining despite their busy schedules, just to share this joy. And quietly, at the registration table, Amartya Da fulfilled his duty with silent dedication, as usual. Nothing escaped my eyes.

I feel proud and fulfilled to be part of such a united family. Rotary is not just a club, it's a bond. One day, we will all celebrate this joy together.

Joint RWM on 2nd August, 2025

Today, I had the pleasure of attending the Regular Meeting of the Rotary Club of Calcutta Metropolitan at The Kenilworth Hotel, Kolkata. The highlight of the event was an insightful talk by Dr. Rajeev Agarwal, a renowned Fertility Specialist and Menopause Health Advocate. His expertise and compassionate approach to women's health made the session truly informative and thought-provoking. It was a meaningful initiative by RC of Calcutta Metropolitan, and I was glad to represent Rotary Club of Tollygunge at this event. Rtn. Subarna accompanied me. A pleasure to share this experience with you all.

Sammanam - District Award on 18th August, 2025

With a heart full of hope, I stepped into Dhano Dhanye, eyes fixed on the screen, waiting for that one magical moment when Rotary Club of Tollygunge would shine. After a patient wait for 4 hours and 30 minutes, the moment came. Our name lit up the screen, and in that instant, I was a child again, overwhelmed with joy, pride, and a sense of belonging. We rushed to the stage, and that moment wasn't mine alone, it belonged to all of us. My deepest gratitude to our IPP Rtn. Biswajit Ghosh, under whose tenure this recognition was made possible, and to someone whose name must be etched in this story, Rtn. Dr. Saumendra Nath De. From across the seas, he carried our club's spirit to the New York Rotary District, met with the DG, and shared our values with grace. Among countless categories, we touched one that truly matters, International Service, a unique one in the history of our club. A testament to Rotary's global reach and our shared commitment.
