Blood Donation Camp at RCC

Our Blood Donation Camp held on 6 February 2026 at Sitarampur, Kulpi was successfully completed with an impressive 52 donors. The camp was conducted in association with RCC Matri Bhumi Trust and Bagh Foundation, with blood collection facilitated by Nehru Memorial Techno Global Hospital Blood Centre. A heartfelt thank-you to our RCC partners and Bagh Foundation for their wholehearted collaboration, and to all our members for their unwavering encouragement and contribution. Your collective support made this meaningful humanitarian project a true success. Together, we continue to Create Hope in the World.

In August 2025, the Rotary Club of Tollygunge, in partnership with RCC Matri Bhumi Trust, organized an environmental initiative that aimed to spread awareness and promote sustainable practices. The event focused on tree plantation, waste management, and responsible consumption.

Following a formal program, sponsored by the Club President and Secretary, the event featured a tree-planting activity. All participants, including club members and community members, were encouraged to plant saplings. The event was held at Sitarampur, South 24 Parganas, and was a successful initiative for the Rotary Club of Tollygunge.

The significance of this effort becomes clearer as we realize the impact of our actions. The event was a success, with many participants expressing their commitment to a greener future. The Rotary Club of Tollygunge is proud to have organized this event and to have inspired others to take action.

We are delighted to share that the February Valentine Issue of Echo Mag (ESRAG South Asia) features a special highlight from our club. Our own Saumendra has authored a short, beautiful and impactful article titled "Planting Promise, Growing Futures: Rotary Club of
