

## Thalassemia Awareness, 1st October, 2025 (During Durga Puja)

President and her daughter, Oishi holding banner, Secretary Soumendranath Dey and other club members setting examples, spreading the thalassemia awareness in the community all throughout the Pujal 1st October, 2025 Rotary Public image on Thalassemia awareness.

## Joint RWM, 9th October, 2025

It was heartening to witness the vibrant participation of members from all four participating clubs, along with our AG from the District Leadership. The spirit of camaraderie and shared purpose truly shone throughout the evening. The birthday cake cutting ceremony and cultural performances that followed added color and joy to the event, perfectly complementing the fellowship that Rotary stands for. Moments like these remind us why our collective efforts matter; we learn, connect, and celebrate together. A special word of appreciation to Saumendra for delivering such an engaging and insightful session on Cyber Security. His talk kept everyone captivated, and the enthusiasm and curiosity of the audience made it a truly interactive learning experience. On that day Charter was presented to our new RCC, Matri Bhumi Trust, Kulpi. My sincere thanks to all members of our club whose support made the Joint RWM such a memorable success. Let's continue this momentum of togetherness and service as we move forward.

## Bijoya Sammiloni, 12th October, 2025

Our Bijoya Sammilani was a vibrant celebration of music, fellowship, and joy. Heartfelt thanks to everyone who joined and filled the evening with warmth and cheer. A special thanks to Rtn. Badsha Ghoshal for his incredible efforts in making the logistic arrangements

for the event. To those who couldn't be with us; you were truly missed. Wishing all members and families Subho Bijaya and a joyful, prosperous year ahead!

## Mpower Project, 19th October, 2025

Rotary Club of Tollygunge successfully executed a Project, "Mpower" on 19th October 2025 at Nischintapur Rakhal Das Uchcha Vidyalaya, South 24 Parganas, engaging 120 participants in a 10-day Kho-Kho camp. This initiative focused on empowering young girls through sports, promoting physical fitness, mental well-being, nutritious food habits,

and reducing reliance on digital games. Our club provided food for one day and sweets on the closing day. The project was completed at a cost of ₹6,500, with generous contributions from Rtn. Abhijit Bag (₹3,500) and Rtn. Luna (₹3,000). Heartfelt thanks to all who supported this meaningful effort toward women empowerment through sports.

## Thalassemia Awareness, 20th October, 2025 (During Kali Puja)

Building on the impactful outreach during Durga Puja, our President is now extending the Thalassemia awareness drive at Kalipuja pandals across Kolkata, ensuring the message reaches even more people during this festive season of Kali Puja and Diwali. This sustained effort not only spreads vital health awareness but also reinforces Rotary's public image as a force for good in the community. Here are some glimpses of the banners in action, where celebration meets community service.

## World Polio Day Celebration, 24th October, 2025

World Polio Day celebration at Rotary Sadan was a resounding success. A particularly meaningful moment for our Club was the presence of Mr. Bapan Haldar, President of our RCC (Matri Bhumi Trust, Kulpi), who lives with the effects of polio and inspired many with his dignity and resolve. It was also inspiring to hear from Ms. Rita Mondal, a renowned polio activist and President's Award recipient, who like Bapan da, hails from Kulpi and knows him personally. Her story shared during the event added powerful context to our shared commitment to resilience and action. The District Governor urged us to mobilize support for Bapan's long-term well-being, noting that his current gait could affect his spine and overall health if left unaddressed.

## Attending RWM of RC Navi Mumbai as Guest, 29th October, 2025

Meeting members of two vibrant Rotary Clubs in Mumbai. The warm hospitality, open exchange of ideas, and shared passion for service made the interaction memorable with RC Bombay Pier and RC Navi Mumbai (though our schedule didn't match but Secretary wish to meet us at Tolly Club on 18-Dec). **Exchanging club flags** symbolized our mutual respect and the spirit of Rotary fellowship that connects us beyond boundaries. The discussions on collaborative projects and community impact reinforced the power of unity in service — a reminder that together, we can make an even greater difference. Thanks to all of you, especially honourable president for sharing project brief on a very short notice.
