**Brief Report:**

In the venerable soil of District Midnapore, across the two hallowed days of 8.11.2025 and 9.11.2025, a moment of profound and historic illumination has transpired: the successful, first-time completion of the complete Rotary Leadership Institute (RLI) Parts I and II. This triumph is the ripening fruit of dedicated endeavour and the tireless fervour of the Facilitators, who served as true lamps unto the path for the assembled leadership cohort. The enterprise received august consecration from the physical presence and beacon of inspiration of respected DG Dr. Ramendu Homchaudhury, whose active participation significantly enhanced the gravity and value of the initiative for all Rotarians present.

This magnificent confluence of hearts was orchestrated upon the meticulous bedrock provided by the organizing

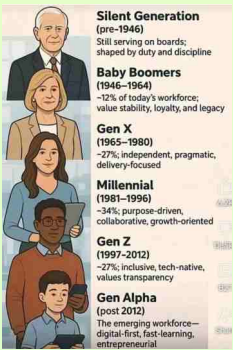

RC Midnapore, and brilliantly supported by the active participation of the esteemed RC Contai and RC Jhargram Green. With the scrolls of leadership now unfurled, this successful completion marks the hallowed beginning of a powerful new narrative, promising to enrich the humanitarian landscape of the District with unclouded purpose and renewed vigor.
