 RAMDHANU depicts that all the colours of our Society should be merged. Today's special guest was Rtn Raj Lakshmi Mohan, Chairman (Diversity Equity Inclusion) and our guest speaker Koyel Ghosh, from SAPPHO FOR EQUALITY. The Speaker Koyel Ghosh from SAPHO was introduced by Rtn Rina Sinha Roy and felicitated.  
 It was heart wrenching listening to their deliberation regarding the present scenario of our so called literate society and the harm it is causing to those who belong to the LGBTQI+ community.  
 We Rotary Club of Calcutta Charnock City members have taken a decision to spread more and more awareness in the society, may it take more decades but one day we will be able to sweep away all the adverse activities, unwanted tortures, ill treatments that are been faced by the LGBTQI+ community.
