Zero Thalassaemia Foundation is an initiative led by DGE Dr Ramendu Homchaudhuri which aims at creating a Thalassaemia Free India in the near future. The primary aims are creating awareness at multiple levels, forging partnerships with stakeholders and providing opportunities for screening of carriers. The Foundation also aims to bring together various agencies working towards a common goal of eradicating the genetic disorder. The logo was unveiled on 23rd February as the day was special being Rotary's 120th birthday.

I have pledged my support to Dr Ramendu Homchaudhuri's initiative ZERO THALASSEMIA and I appeal all to join in this long haul towards a Thalassaemia Free India.

This initiative is a call for every person in the society to join hands ...
