Message from our Chartered Member PDG Debasish

**"Sometimes a Short Walk Down Memory Lane is all that it takes to Appreciate where you are Today"**

**This is indeed a glorious moment after travelling through a long road covering 36 glorious years of service to the suffering humanity. It is also a Joyous moment for all the 25 dedicated soldiers of Rotary - proud Members & the family of Rotary Calcutta Dhakuria who have been serving tirelessly for more than three decades in several different ways. I can cover the entire space of this publication writing about it but I shall take only a few lines.**

**It all started on 17<sup>th</sup> September 1988 one evening at The Calcutta Club Crystal Room when our Charter President received the Charter Certificate from the then District Governor. I was indeed fortunate to have seen the Ceremony as a Charter Member of this Club that evening sitting at the back row with my wife. The Mantle of Leadership shifted from one Club President to another but the Mission was accomplished every time – every year with the advent of new Rotary International Themes heralding newer challenges & missions. The District Governors have always reposed their faith & confidence on RCCD and have entrusted us with the responsibility to host major District Events in our own way. PETS 1997-98, SETS 1999-2000, District Assembly 2000-2001, DTTs 2004-2005, TETS 2006-2007, District Conference 2006-2007 & the list is endless.**

**In 2010 the name of the Club was slightly modified as Rotary Club of Calcutta Dhakuria. We have witnessed formation of Interact Clubs, Rotaract Clubs & several RCCs & of-course launching Innerwheel Calcutta Dhakuria during the journey. Several Community Service Projects addressing the needs of the Community with more than 100 Deep Tubewells, 200 Low Cost Toilets, Power Tiller, Water Kiosks, 4 Ambulances, 5000 Cataract Surgeries with a number of Matching Grants with UK, USA & Taiwan, Computer Training Centre, English Speaking Courses, over 1 lac Tree Plantations, 2 Happy Schools & I know I am missing so many magical Projects that has changed the lives of so many in the communities around us. All these Projects were done by our dedicated & passionate Club Members, several RCC Members, Foreign Matching Partners, Partnering Eye Hospitals, EIRWT, RCCDWT, CSR Funds & of course generous individual donations. Our Signature RYLA Camps organized every year at IIM Calcutta have inspired the New Generations in so many ways. I must mention our Disaster Relief efforts**

for Covid, Aila, Amfaan, Orissa Cyclone, Kerala Flood, Nepal Earthquake and many more. Members have generously contributed to the cause and have also reached the Disaster Struck Regions courageously. These are stories I can talk about for hours but every time God gave us ample strength to overcome all obstacles & confront the challenges that came our way.

I am reminded of those great words of Legend Mohammad Ali who had said –“Courage is asking for a time-out, to shed a tear, to dust yourself off & then getting back in the ring to fight like you never fought before”.

This is a Club of passionate leaders who have made significant life-time contributions to their professions & have also dedicated their lives to serve the under-privileged in our community. We are dreamers, planners, doers & true believers of the Mantra “Service above Self”. All of us agree that Rotary is a life-changing philosophy & every new dawn comes with a daunting challenge to reach out to the suffering humanity, every new morning comes with a new ray of hope which each one of us carry with us. “There was this son who was standing in front of his dead father crying & every-one around him were crying. His mother who had just lost her husband was also crying. They were all getting ready to say their final good-bye & this mother came up & asked her son “Do you know the most important part of the body my son?” The son did not have the answer & with tear filled eyes looked at the mother. She said, “Son the most important part of the body is your shoulder.” Not because it holds up your head but because it can hold the head of a friend or loved one when they cry. Everybody needs a shoulder to cry on sometime in life my son. I only hope that you have enough love and friends that you will always have a shoulder to cry on when you need it the most.”

Rotary Calcutta Dhakuria for us this is another beginning – an occasion to rededicate ourselves to serve the suffering humanity as we pledge to walk together hand in hand, work together shoulder to shoulder, through good times & not so good times to reach newer goals – towards more challenging destinations – onto a brighter future through the magical world of service. I repeat Tagore

“ হে ঐশ্বর্যবান - তোমারে যা দিয়েছিলু সে তোমারি দান - গ্রহণ করেছ যত ঋণী তত করেছ আমায় ”

Papia & I wish President 2024-25 Dr Nibir, First Lady Sampita & the entire Team 2024-25 a great journey ahead during as you manifest The Magic of Rotary!

Debasish

## FROM THE EDITOR' DESK

**Rtn. Swapan Ray**

Installation Ceremony of a ROTARY CLUB always brings new hope , new challenges, inducting new members and of course start running the chariot with the able Leadership of the new Leader who will actualize vision of the President of ROTARY INTERNATIONAL 24-25.

With the fantastic & memorable legacy of Rotary Club of Calcutta Dhakuria, all the members, with the concept of 4 WAY TEST in their heart, will try to engage themselves to serve the society in the best possible manner.

I wish the President Rtn Dr Nibir Chakraborty & the Board, a very eventful Rotary year, where all the members will work relentlessly & put their best to fulfill the dream of the President so that the Club would come out as one of the best in the District 3291 in 24-25 .

Warm wishes,

SWAPAN RAY

## Message from RI President 2024-25

**Rtn. Stephanie A. Urchick**

Rotary is at its best when we foster a sense of inclusion and belonging in our clubs. In fact, I would go so far as to say that belonging is The Magic of Rotary itself.

With a focus on inclusivity and belonging, it is easier to be united in a common purpose. When we are committed to one another and focused on our goals, we are most effective.

Rotary's Action Plan can help. The Action Plan comes with tools you can use to collect feedback, assess your club's strengths and weaknesses, and address challenges.

The world is changing, and our clubs can't afford to stand still. But the changes we make need to be consistent and strategic — building on one another toward a greater vision. The Action Plan can help you work toward that vision and create effective change within your club. Following the Action Plan and addressing suggestions from the community will go a long way to fostering the sense of belonging we want all Rotary members to feel in their clubs.

That's why expanding our commitment to diversity, equity, and inclusion is so important. Committing ourselves to each other's well-being is the first step to expanding our reach, allowing us to spread Positive Peace in these troubled times.

Peacebuilding is one of our top priorities, and one of the most effective ways we can build peace is with our Rotary Peace Fellowships, through which peace and development professionals learn how to prevent and end conflict.

We offer the fellowships through our Rotary Peace Centers at leading universities around the globe, where more than 1,800 Rotary Peace Fellows have graduated. And thanks to a \$15.5 million gift from the Otto and Fran Walter Foundation, we can continue supporting peacebuilders in more regions with the next peace center at Bahçeşehir University in Istanbul.

Opening another peace center is a monumental achievement, and it is my great honor to invite you to celebrate at next year's Rotary Presidential Peace Conference at the Istanbul center. The three-day conference 20-22 February will highlight the many ways our family of Rotary advances peacebuilding. Registration for the conference is officially open. I hope to see you there.

The 2025 Rotary Presidential Peace Conference has great potential for our peacebuilding efforts — but only if we have your support.

The truth is, we're not going to bring peace to the world, end polio, or grow membership by waving a wand and saying some funny words. It's up to you. You create the magic with every project completed, every dollar donated, and every new member inducted.

I love my Rotary family and I know you do too. That's why I know that together, we can make every club and district simply irresistible. This year, let us change the world by embracing The Magic of Rotary.

**Rtn Nibir Chakrabarti**

President 2024–2025

Rotary Club of Calcutta Dhakuria, RID 3291

*Dear President Nibir Chakrabarti*

Greetings and best wishes from Dr Simran and my family.

It will be yet another historic day on 01 July 2024 when the second-ever lady Rotarian RIPE Stephanie A Urchick from RC McMurray, Pennsylvania, USA, will take over the reins of Rotary International with the wonderful theme “**THE MAGIC OF ROTARY**”.

On the very same date, we too will be extremely fortunate to have been given the opportunity to officially take care of the health and welfare, of all our fellow Rotarians of District 3291 for one full Rotary year.

On that very day, you too shall be taking up the mantle of your club and work towards the benefit of both your club members and the society at large. I am very happy to note that you are already planning service projects and we expect that those shall be sustainable projects creating new development of marginalized people.

The service projects that we do for the benefit of the lesser privileged in our community, is truly magical. It brings about positive change towards betterment and sometimes, a total change in the lives of our beneficiaries. And while doing these meaningful projects, we also get together, bond and enjoy ourselves. This is “**THE MAGIC OF ROTARY**”.

I am positive that your vibrant club shall do this magic, as they have done in the past, and continue to serve to change lives.

Simran and I wish you and your esteemed club members the best and eagerly look forward to working together for a wonderful and fruitful Rotary Year 2024–2025.

Thanking you.

Kind regards.

Yours-in-Rotary

## District Governor 2025-26

Dr. Ramendu Homchaudhuri

Dear Fellow Rotarians,

Friends, a new year means new beginnings and new opportunities. As we step into this new Rotary year, we embark on a journey filled with promise and potential. This year, we are proud to have another woman at the helm—Stephanie Urchick. Her leadership inspires us to strive for excellence and make meaningful contributions to our communities.

Rotary's magic lies in its ability to bring together individuals dedicated to making a difference. This year, let's harness that magic to prioritize peace, balance, and continuity in all our endeavors.

### The Magic of Rotary

- **Prioritizing Peace:** Peace is fundamental to all our efforts. By fostering understanding, tolerance, and cooperation within our communities, we can build a foundation for lasting peace. Let's engage in projects that promote conflict resolution and support peaceful coexistence.

- **Ensuring Continuity:** Continuity in our actions ensures that our projects and initiatives have lasting impact. By building on past successes and learning from challenges, we can create programs that endure and continue to benefit communities for years to come.

Friends, we all should be proud of the fact that our collective efforts have led us to fight a disease that had been crippling the world for hundreds of years. Friends, you all know what I am talking about: polio. Today, we have only six cases around the world. But this does not mean we have completely eradicated it. We should continue to spread awareness about the disease and the vaccine so that we can sustain our achievement and keep the disease out of the world.

Friends, I want to draw your attention to another matter that needs our grave attention.

### Prevention of Preventable Diseases

One of our primary missions is to combat preventable diseases, such as thalassemia and cervical cancer (Ca cx). These diseases can have devastating effects on individuals and families, yet they are 100% preventable through education, vaccination, and early detection.

By working together, we can raise awareness, support screening programs, and provide necessary medical interventions. Our efforts in this field are saving lives and enhancing the quality of life for countless individuals.

#### Environmental Sustainability

Environmental sustainability is another crucial focus for Rotary. The health of our planet directly impacts the well-being of its inhabitants. We must take active steps to protect our environment through tree planting, waste management initiatives, and the promotion of renewable energy sources. By fostering a sense of responsibility towards our environment, we ensure a better future for generations to come.

As we welcome the new Rotary year, I encourage each of you to embrace Rotary's causes with passion and dedication. This fresh start presents us with new opportunities to innovate, collaborate, and make a significant impact. Let's harness the power of Rotary to create a healthier, more sustainable world.

Together, we can overcome challenges, uplift communities, and leave a lasting legacy.

Thank you for your commitment to service above self. Here's to a year of growth, impact, and transformation.

Yours in Rotary,  
DG Dr. Ramendu Homchaudhuri  
2025-26

## District Governor 2026-27

**Rtn. Tapas Bhattacharya**

Rtn Nibir Chakrabarti  
President 2024-25  
Rotary Club of Calcutta Dhakuria

Dear Rtn Nibir

At the outset I like to congratulate you to become the President of a very energetic and vibrant Rotary Club like Rotary Club of Calcutta Dhakuria. I am confident you and your team will show the magic of Rotary changing the lives of the suffering humanity. I also like to congratulate the outgoing President Udayan Chowdhury and his team for rendering wonderful service and creating hope in the community around for better tomorrow.

As we stand on the cusp of eliminating polio, we find ourselves poised for our next challenge. The time is right to move toward realizing a new vision that brings more people together, increases our impact, and creates lasting change around the world. To achieve the vision of Rotary International and The Rotary Foundation, we have to set the following four priorities that will direct our work over the coming years.

First - Increase Our Impact : Eradicate polio from the earth and leverage the legacy; Focus our programs and offerings; Improve our ability to achieve and measure impact. Second - Expand Our Reach : Grow and diversify our membership and participation; Create new channels into Rotary; Increase Rotary's openness and appeal; Build awareness of our impact and brand. Third - Enhance Participant Engagement : Support club to better engage the members; Develop a participant centered approach to deliver value; Offer new opportunities for personal and professional connection; Provide leadership development and skills training. Fourth - Increase Our Ability To Adapt : Build a culture of research, innovation, and willingness to take risks; Streamline governance, structure, and processes; Review governance to foster more diverse perspectives in decision-making.

Let us take time to serve. Mankind is one – let us build bridges of friendship throughout the world; share Rotary, serve people; discover the new world of service to build peace through service. Rotary brings hope – let us create hope in the world. Let us show the magic of Rotary to change lives, to change the community for a better world.

With best wishes  
Yours in Rotary

# ROTARY CLUB OF CALCUTTA DHAKURIA

IMMEDIATE PAST PRESIDENT

**IPP Rtn.Udayan Choudhury**

I am filled with pride and gratitude for the incredible journey I have shared over the past year. Serving as the President of the Rotary Club of Calcutta Dhakuria has been a profoundly rewarding experience, marked by camaraderie, dedication, and a collective commitment to our mission of "Create Hope in the World."

Together, we have achieved remarkable milestones, from impactful community service projects to successful fundraising events. These accomplishments are a testament to the unwavering spirit and dedication of our members. I am deeply grateful for your support, enthusiasm, and hard work.

Special thanks to our board members and committee chairs, whose leadership and vision have been instrumental in our success. Your efforts have been the backbone of our club's achievements, and I am proud of what we have accomplished together.

As I pass the mantle to our new President Rtn. Dr. Nibir Chakraborty, I am confident that our club will continue to thrive and reach new heights. Let us continue to work together, fostering the spirit of Rotary and making a positive difference in our community and beyond.

Thank you for the privilege of serving as your President. I look forward to supporting our club in new ways and witnessing its continued success.

## Message from Installation Committee Chairperson 2024-25

Rtn. Soma Sarkar

Dear Friends,

***“If you want to do something for your children and show how much you love them, the single best thing – by far – is to support organizations that will create a better world for them and their children. And by giving, we inspire others to give of themselves, whether their money or their time.”***

**-Michael R. Bloomberg**

These are the thoughts which strive us to do something positive activities for the society. And we all have joined in Rotary Club of Calcutta Dhakuria to satisfy our inner urge to give a shape to our dreams with the support of our Parent Organization - Rotary International, District 3291

Rotary Club of Calcutta Dhakuria has already earned a name by making significant contribution to the society since last 37 years. During the year 2023-24 RCCD has made an impact by organizing a number of projects for the betterment of the society with the limited resources and unlimited energies of the club members. My heartiest gratitude to the Outgoing President Rtn. Udayan Choudhury and entire team of RCCD for the wonderful time we witnessed.

We have many more things to do and I am sure we will achieve greater height this year under the able leadership of Rtn. Dr. Nibir Chakraborty, President 2024-25. I wish him and new team of RCCD all success in the days to come.

Rtn. Soma Sarkar
