Message from District Governor 2024-25

Dear President Nitindra Mohan Mookherjee

Greetings and best wishes from Dr Simran and my family.

It will be yet another historic day on 01 July 2024 when the second-ever lady Rotarian RIPE Stephanie A Urchick from RC McMurray, Pennsylvania, USA, will take over the reins of Rotary International with the wonderful theme **"THE MAGIC OF ROTARY"**.

On the very same date, we too will be extremely fortunate to have been given the opportunity to officially take care of the health and welfare, of all our fellow Rotarians of District 3291 for one full Rotary year.

On that very day, you too shall be taking up the mantle of your club and work towards the benefit of both your club members and the society at large. I am very happy to note that you are already planning service projects and we expect that those shall be sustainable projects creating new

development of marginalized people.

The service projects that we do for the benefit of the lesser privileged in our community, is truly magical. It brings about positive change towards betterment and sometimes, a total change in the lives of our beneficiaries. And while doing these meaningful projects, we also get together, bond and enjoy ourselves. This is **"THE MAGIC OF ROTARY"**.

I am positive that your vibrant club shall do this magic, as they have done in the past, and continue to serve to change lives. Simran and I wish you and your esteemed club members the best and eagerly look forward to working together for a wonderful

and fruitful Rotary Year 2024-2025. Thanking you.

Kind regards

Yours-in-Rotary

She led our club through a year of high turmoil and tough circumstances, demonstrating resilience and unwavering dedication. Her leadership and contributions set a high standard, and I was determined to continue the momentum and further our club's impact. Message from Club President 2024-25

Dear Fellow Rotarians, Friends, and Esteemed Guests,

Message from District Governor 2025-26

Dear Fellow Rotarians,

Friends, a new year means new beginnings and new opportunities. As we step into this new Rotary year, we embark on a journey filled with promise and potential. This year, we are proud to have another woman at the helm—Stephanie Urchick. Her leadership inspires us to strive for excellence and make meaningful contributions to our communities. Rotary's magic lies in its ability to bring together individuals dedicated to making a difference. This year, let's harness that magic to prioritize peace, balance, and continuity in all our endeavors.

The Magic of Rotary

- *Prioritizing Peace: Peace is fundamental to all our efforts. By fostering understanding, tolerance, and cooperation within our communities, we can build a foundation for lasting peace. Let's engage in projects that promote conflict resolution and support peaceful coexistence.*

- *Ensuring Continuity: Continuity in our actions ensures that our projects and initiatives have lasting impact. By building on past successes and learning from challenges, we can create programs that endure and continue to benefit communities for years to come.*

Friends, we all should be proud of the fact that our collective efforts have led us to fight a disease that had been crippling the world for hundreds of years. Friends, you all know what I am talking about: polio. Today, we have only six cases around the world. But this does not mean we have completely eradicated it. We should continue to spread awareness about the disease and the vaccine so that we can sustain our achievement and keep the disease out of the world.

Friends, I want to draw your attention to another matter that needs our grave attention.

Prevention of Preventable Diseases

One of our primary missions is to combat preventable diseases, such as thalassemia and cervical cancer (Ca cx). These diseases can have devastating effects on individuals and families, yet they are 100% preventable through education, vaccination, and early detection. By working together, we can raise awareness, support screening programs, and provide necessary medical interventions. Our efforts in this field are saving lives and enhancing the quality of life for countless individuals.

Environmental Sustainability

Environmental sustainability is another crucial focus for Rotary. The health of our planet directly impacts the well-being of its inhabitants. We must take active steps to protect our environment through tree planting, waste management initiatives, and the promotion of renewable energy sources. By fostering a sense of responsibility towards our environment, we ensure a better future for generations to come.

As we welcome the new Rotary year, I encourage each of you to embrace Rotary's causes with passion and dedication. This fresh start presents us with new opportunities to innovate, collaborate, and make a significant impact. Let's harness the power of Rotary to create a healthier, more sustainable world. Together, we can overcome challenges, uplift communities, and leave a lasting legacy. Thank you for your commitment to service above self. Here's to a year of growth, impact, and transformation.

Yours in Rotary,

Dr. Ramendu Homchaudhuri

Rtn Nitindra Mohan Mookerjee

President 2024-25

Rotary Club of Calcutta Endeavour

Dear Rtn Nitindra

At the outset I like to congratulate you for taking over the mantle of your club leadership as the President for the Rotary Year 2024-25. I am sure you and your team will show the magic of Rotary changing the lives of the suffering humanity and community as well. I also like to congratulate the outgoing President Arindam Bose and his team for their outstanding service to the community creating a great hope for a better tomorrow.

Rotary club members are volunteers who work locally, regionally, and internationally to combat hunger, improve health and sanitation, provide education and job training, promote peace, and eradicate polio under the motto Service Above Self. I am confident you and your club members will be a part of it. I think under your dynamic leadership your club members will participate in meaningful service which will make a difference in the community. Your efficient leadership will channel this commitment through five Avenues of Service — Club Service, Vocational Service, Community Service, International Service, and Youth Service. You will help your club thrive by offering your expertise and

skills through serving as Club President. I am confident your able leadership will lead the way your club to participate in local service activities, participate in international projects, use professional expertise, support Interact Club, participate in Rotary Youth Leadership Awards, work with Rotary Community Corps, use club members skills with a Rotary Action Group, apply for Grant – Global Grant and EIRWT, join the effort of Rotary to eradicate Polio from the earth and support Rotary Foundation by giving, which sustains thousands of projects in your community and around the world. I opine that your exemplary leadership will lead your club to support projects and programs that transform lives by addressing poverty, disease, conflict, and lack of education and water and show the magic of Rotary.

With Best Wishes
